

Lago Vista Independent School District “Vikings Row Together” Tuition-Based, Full-Day Pre-K Program

Lago Vista ISD strives to create structures at all levels that maximize the potential of all students through rigorous curriculum and instruction. A commitment to early childhood education is critical in strengthening the foundation for future successes of our students. As a part of this commitment, the District has three Pre-K pathways: State-Funded Pre-K, Early Childhood Special Education, and our new “Vikings Row Together” tuition-based program.

Lago Vista ISD is excited to offer the “Vikings Row Together” program as a part of our early childhood Pre-K pathways.

What are the Pre-K options in Lago Vista ISD?

Lago Vista ISD offers three Pre-K pathways:

1. **State-Funded Pre-K:** Students in this pathway are age 4 by September 1st and meet at least one of the state’s Pre-K eligibility criteria. State-funded Pre-K is provided at no cost to eligible students.
2. **Early Childhood Special Education (ECSE):** Students in this pathway are ages 3-5, identified with a disability, and demonstrate a need for special education. If you believe your child may be eligible to attend the Early Childhood Special Education (ECSE) program at no cost, please contact the Lago Vista ISD Special Education Director.
3. **“Vikings Row Together” (VRT) Tuition-Based Pre-K:** Students in this pathway are age 4 by September 1st, are not eligible for State-funded Pre-K or ECSE, and submit an application to participate as a tuition-based student. VRT students serve as peer models in the ECSE classroom for students with disabilities while receiving instruction based on the TEA Pre-Kindergarten Guidelines.

Why does Lago Vista ISD offer the “Vikings Row Together” program?

The purpose of the “Vikings Row Together”, or VRT, program is to partner with our Early Childhood Special Education (ECSE) program to provide age-appropriate learning experiences for students in both programs. Students from the VRT program and the ECSE program are served in the same classroom, which provides a diverse, accepting environment where students serve as role models for one another. This blended model provides a highly-impactful setting for student learning for both VRT and ECSE students.

In the VRT program, our tuition-based students learn in an environment where they serve as peer models for students with disabilities while receiving instruction based on the TEA Pre-Kindergarten Guidelines. The role of a VRT student is to be a role model for the ECSE students by modeling age appropriate communication, social, and self-help skills.

Who can apply for enrollment in the “Vikings Row Together” Tuition-Based Pre-K Program?

The opportunity to apply for this program is open to parents with a child who meets the following criteria:

- Will be four (4) years old by September 1st;
- Resides within the Lago Vista ISD attendance boundaries;
- Does not meet the eligibility requirements to enroll in the State-funded Pre-K or ECSE programs; AND
- Is toilet trained.

Application Procedures

- A finite number of seats will be opened to District residents who meet eligibility requirements for the VRT Tuition-Based Pre-K Program.

- Receipt of a completed application is required to place a student on the list to fill the number of available tuition-based seats determined by the District.
- Applications for VRT Tuition-Based Pre-K Program seats are considered on a first come, first served basis and require a deposit in the amount of \$665, which will be used for the first’s month’s tuition. Deposits must be paid by check or money order made payable to Lago Vista ISD. *Note: Applications are only considered complete when a deposit payment for the first’s month’s tuition is received.*
- **The priority deadline for open seats in the VRT Tuition-Based Pre-K Program is 4:00pm on the last day of school for current school year.**
Completed applications and deposits must be submitted to the Lago Vista Elementary School front office.
- After the tuition-based spaces are filled, all other applicants will be placed on a waiting list pending space.
- **For completed applications received BEFORE 4:00pm on the last day of school:**
Official placement notifications (approval, denial, or waitlist) will be sent by the close of business on the first work day in June. Notifications will be sent to the email address provided on the application, so it is extremely important that this address be legibly written. If a student is placed on the waiting list, the deposit will be returned.

There are no guarantees that a spot will become available. If available, applicants on the waiting list for the “Vikings Row Together” Tuition-Based Pre-K Program will be notified of any available spaces in the District’s on-site daycare, the Little Vikings Learning Center. Enrolling in the Little Viking Learning Center will remove an applicant from the “Vikings Row Together” Tuition-Based Pre-K Program waiting list.
- Due to the high volume of administrative work required to prepare for the school year, applicants placed on the waiting list should not contact the campus to inquire about the waiting list.
- If a space in the “Vikings Row Together” Tuition-Based Pre-K Program becomes available, the District will contact each applicant on the waiting list until the available opening is filled. In order to confirm acceptance into the program, an approved applicant on the waiting list must deliver a deposit in the amount of \$665.00, which will be used for the first month’s tuition.

VRT Tuition-Based Pre-K Program Information

Program Overview

- The Vikings Row Together (VRT) Program is in partnership with Early Childhood Special Education (ECSE). The VRT classroom is staffed by one certified Special Education teacher and two paraprofessionals. The goal is to maintain a 50/50 ratio of children. However, ratios fluctuate throughout the school year based on ECSE enrollment.
- The Pre-K curriculum in Lago Vista ISD is developed using the research-based Frog Street curriculum and is fully aligned with the Texas Pre-K Guidelines. The Frogstreet curriculum is a comprehensive curriculum that covers all domains of early learning, such as language and literacy, mathematics, science and social studies, arts, physical development, and social and emotional development.
- Learning activities include, but are not limited to, circle time, centers, math and literacy instruction, lunchtime, and physical activity time (indoor and/or outdoor).

Schedule

- All Pre-K students begin school on the first day of instruction of the school year. They follow the same Lago Vista ISD Academic Calendar, transportation routes, and instructional time as all other grade levels at Lago Vista Elementary School.
- No VRT classes are available on school holidays and/or teacher in-service days.
- The instructional day begins promptly at 7:45am and ends at 3:20pm.
- Parents/guardians are strongly encouraged to have their child at school by 7:45am each day. Students who arrive late to the classroom cause a disruption to instruction and daily routines.
- School hours will be strictly followed and daily attendance will be taken every morning.

Arrival & Dismissal

- VRT students may be dropped off in the car rider line starting at 7:15am. If parents arrive after 7:45am, they will need to park and walk their child up to the front doors, where a staff member will escort them to the ECSE/VRT classroom.
- VRT students may be picked up in the car rider line with the other elementary students at the Elementary dismissal time of 3:20pm.
- A parent/guardian needing to check a child out early must check in at the front office and a member of the office staff will go to the classroom to get the student. Parents/guardians may not go directly to the ECSE/VRT classroom to check out their child.

Classroom Materials

- A VRT school supply list is provided upon registration and can also be found on the District website.
- Parents/guardians will need to provide a backpack, extra change of clothes for their child, a nap mat and blanket for their child, and daily snacks.

- The ECSE/VRT teacher may request additional supply items throughout the year as supplies run out or for a special activity
- Jackets, lunchboxes, backpacks, nap mats, and blankets should be labeled with student's name.
- The ECSE/VRT classroom supplies plenty of age-appropriate and fun learning materials to help students build positive peer relationships, so we ask that toys from home not be sent to school.

Classroom Visits

- It is important to remember that this is an educational program and is not to be considered a daycare setting. During the instructional day, parents/guardians must follow campus visitor procedures and check in at the front office to obtain a visitor's badge before entering the school.
- In order to minimize disruptions to instruction and routine, visits to the ECSE/VRT classroom during instruction times must follow Lago Vista ISD policy in the Student Handbook and be prearranged with the teacher and principal at least 24-hours in advance.
- The campus principal reserves the right to limit visits if the visits become too frequent during instructional times.
- Parents/guardians who wish to conference with the ECSE/VRT teacher regarding their child will need to contact the teacher to set up a conference.
- Parents/guardians are encouraged to volunteer in the classroom for school events or field trips. Those who wish to assist with school events and activities must complete a required background check and be approved prior to volunteering. Parents/guardians may obtain the background check from the front office.

Meals & Snacks

- Breakfast is available daily in the Lago Vista Elementary School cafeteria beginning at 7:10am. Students who wish to eat breakfast at school may purchase breakfast through the school cafeteria program.
- VRT students will eat lunch in the cafeteria. Lunch may be brought from home or purchased through the school cafeteria program.
- Parents/guardians should provide two nutritious snacks from home each day.

Student Attendance

- Students with ten absences/and or tardies may be dropped from the program at the discretion of the campus principal.

Student Behavior
