Current Market Overview SECTION 3 RBC Capital Markets®

Long-Term Market

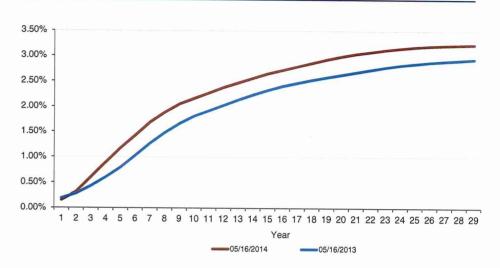

Market Overview

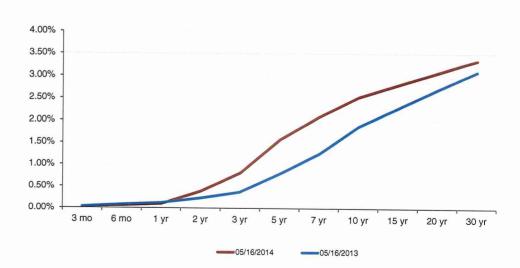

Treasury yields moved lower through the majority of the week regardless of positive economic indications in the U.S. including better than expected PPI, CPI, jobless claims and Empire manufacturing. Other factors at play that drove yields lower were geopolitical stress between Russia and Europe, expectations of monetary policy easing in Europe, and global economic weakness. The 10yr and 30yr reached new lows during the week, with the 10yr falling to 2.49 and the 30yr dropping to a 3.33 on Wednesday's close. Yields did climb slightly on Friday with the 10yr closing at 2.52 and the 30yr at 3.35. At the end of the week, the 10yr was down 10bps and the 30yr down 11bps. Stocks started the week off strong with large gains on Monday followed by sharp declines much of the week, and ending with small gains on Friday. At the end of the week, the major indices were only slightly changed.

Muni yields continued to fall last week with strong performance throughout the Municipal Market Data (MMD) AAA GO curve. The long end led the rally with the 30yr dropping 12 bps, while the short/intermediate range also gained steam after being relatively idle recently. The 10yr was down 10bps and the 5yr down 5bps for the week. The 10yr and the 30yr reached new lows for the year. Investors grabbed for higher yields, tightening credit spreads and adding to high yield funds. After an encouraging week of inflows last week, weekly reporting municipal funds continued their recent surge, recording \$616mm in net inflows. Weekly reporting municipal funds have experienced net inflows in 14 of the first 20 weeks of the year; including monthly funds, municipal funds have recorded net inflows of \$5.312bn in 2014. Following in line with last week's report, this week, each municipal sector experienced inflows with high yield funds continuing to lead the pack with \$348mm. The 4.6bn in supply was well absorbed. Next week's supply of \$5.7bn, comprising of \$4.41bn negotiated and \$1.3bn competitive, is slightly greater than the weekly average for the year of \$5bn of supply.

Municipal GO "AAA" MMD Yield Curve Changes

U.S. Treasury Yield Curve Changes

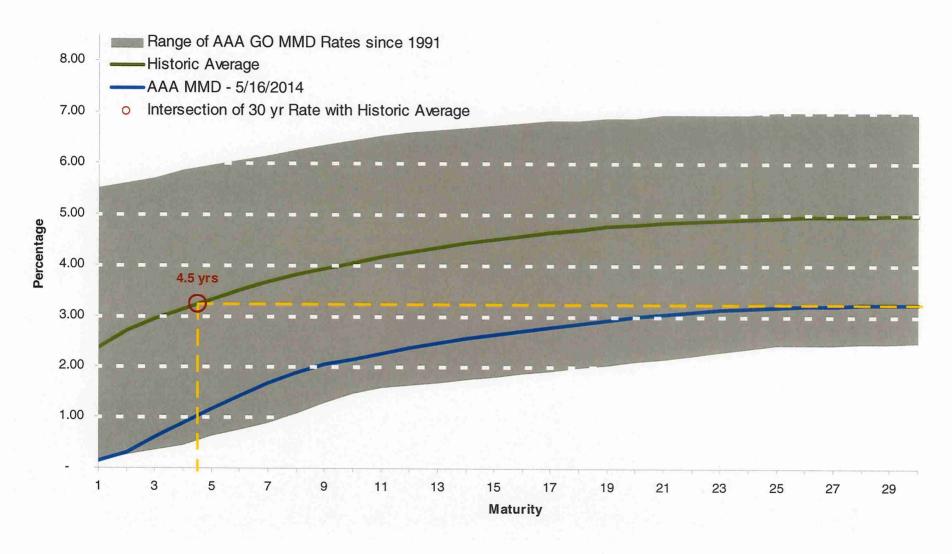

Historically, Rates Remain Low

Current 30-year MMD (3.23%) is approximately equal to the avg. 5-year MMD rate since 1991

As of May16, 2014 "AAA" MMD is the composite yield curve comprised of "AAA" rated general obligation municipal issues by which other municipal issues are benchmarked.

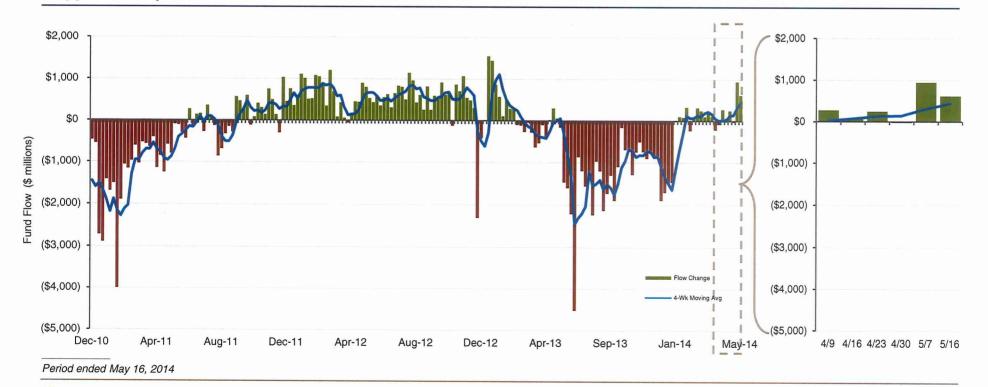

Municipal Market Fund Flows

Until Fund Flows stabilize, trading in the municipal market will remain volatile

- According to data from Lipper, for the week ended May 16, 2014, weekly municipal bond funds reported \$616 million in inflows, down from previous week's \$943 million of outflows
 - Four week moving average is currently \$444 million, up from last week's number of \$309 million
 - Weekly municipal funds have experienced net inflows in 14 of the first 20 weeks of the year
- As municipals continue to experience inflows, equity funds also posted \$1.8 billion in inflows (excluding ETFs)
- Taxable funds experienced net inflows of \$4.4 billion; they have now experienced inflows in 18 of the last 19 weeks

Conclusions

The quantitative data suggests that, while individual OFYP students experienced larger gains, there was no significant improvement in achievement for students that participated in OFYP. The qualitative data from students who participated in OFYP was overwhelmingly positive. However, there was nothing about the OFYP experience that could not be planned to scale for the entire Lago Vista Middle School population. Essentially, the socio-emotional and academic benefits experienced by OFYP students resulted from the project-based learning environment and not from any variable that is specific to OFYP.

Recommendations

The greatest benefit of the OFYP experience for students was the ability to participate in collaborative and creative project-based learning. In order to provide the greatest benefit to the largest number of students, the school-wide project-based learning should be implemented for all students. Staff development surveys for LVMS indicate that one of the greatest needs it time for staff development. Therefore, it is the recommendation of the LVMS administration that the district forego OFYP for the 2014-2015 academic year in favor of district staff development waiver days. Furthermore, to provide the benefits of the OFYP experience to all students, it is the intention of the LVMS administration to implement multiple school-wide project-based learning opportunities in the 2014-2015 academic year.

School meals are changing to meet the new nutrition standards in the National School Lunch and School Breakfast Programs. The chart on this sheet offers a handy reference to these changes and includes serving sizes for each food group as well as the calorie ranges and sodium targets school nutrition professionals will serve students in grades K-5. The changes will be made over several years and the chart shows the school year during which each change will take effect. The calorie ranges reflect the developmental needs for this age/grade group.

Most of the changes will occur during a three-year period beginning with school year 2012-2013. Schools will have an additional 8 years to meet the sodium targets beyond school year 2014-2015.

This schedule is for general reference only and should be used in conjunction with materials from USDA and the Texas Department of Agriculture. For complete information and current materials, visit www.teamnutrition.usda.gov or www.SquareMeals.org.

School meals are changing to meet the new nutrition standards in the National School Lunch and School Breakfast Programs. The chart on the other side of this sheet offers a handy reference to these changes and includes serving sizes for each food group as well as the calorie ranges school nutrition professionals will serve students in grades 6-8. The changes will be made over several years and the chart shows the school year during which each change will take effect. The calorie ranges reflect the developmental needs for this age/grade group. Children go through many changes as they grow, which makes the nutritional needs of a fifth grader very different from an eighth grader. Because these children are starting to make more of their own decisions, it's a good time to encourage them to choose healthy foods.

Most of the changes will occur during a three-year period beginning with school year 2012-2013. Schools will have an additional 8 years to meet the sodium targets beyond school year 2014-2015.

GRADES 9-12

School meals are changing to meet the new nutrition standards in the National School Lunch and School Breakfast Programs. The chart on the other side of this sheet offers a handy reference to these changes and includes serving sizes for each food group as well as the calorie ranges school nutrition professionals will serve students in grades 9-12. The changes will be made over several years and the chart shows the school year during which each change will take effect. The calorie ranges reflect the developmental needs for this age/grade group. The portion sizes for these students are larger and the calorie limits are higher. School nutrition professionals can offer more fruits and vegetables to meet the higher calorie ranges. High school students are more savvy and may want foods similar to what they'd find at a restaurant. It's important to focus on adult-type offerings. Student involvement through tastings and surveys is critical.

Most of the changes will occur during a three-year period beginning with school year 2012-2013. Schools will have an additional 8 years to meet the sodium targets beyond school year 2014-2015.

ACADEMIC ACHIEVEMENT GRADUATION

EIF (LOCAL)

—DRAFT—

COURSE REQUIREMENTS To graduate, a student must complete the courses required by the District in addition to those mandated by the state.

TRANSFER STUDENTS

A student who enrolls in the District and is classified as a senior may be permitted to graduate with fewer than the number of credits required by the District, as determined by the campus principal. However, the student must have at least the number of credits required by the state for graduation.

GRADUATION PROGRAMS INSTITUTED PRIOR TO 2014–15 Students enrolled in high school prior to the 2014–15 school year may graduate under state programs other than the foundation program, including the Minimum Program, the Recommended Program, and the Advanced/Distinguished Achievement Program. The courses required for each of these programs shall be listed in appropriate publications. The District credit requirements under these programs are listed below.

MINIMUM PROGRAM The District requires completion of 6 credits in addition to the number required by the state for graduation under the Minimum Program.

RECOMMENDED PROGRAM

The District requires completion of 2 credits in addition to the number required by the state for graduation under the Recommended Program.

ADVANCED / DISTINGUISHED ACHIEVEMENT PROGRAM The District requires completion of 2 credits in addition to the number required by the state for graduation under the Advanced/ Distinguished Achievement Program.

NO READING CREDITS

The District shall not offer state graduation credit for reading.

FOUNDATION PROGRAM

The courses that satisfy District requirements under the foundation program, including courses for the distinguished level of achievement and courses for endorsements offered by the District, shall be listed in appropriate District publications.

WITHOUT AN ENDORSEMENT

The District requires completion of 6 credits in addition to the number required by the state for graduation under the foundation program without an endorsement. Graduation under the foundation program without an endorsement shall be permitted only as authorized under state law and rules.

WITH AN ENDORSEMENT

The District requires completion of 2 credits in addition to the number required by the state for graduation under the foundation program with an endorsement.

ACADEMIC ACHIEVEMENT GRADUATION

EIF (LOCAL)

DISTINGUISHED LEVEL OF ACHIEVEMENT The District requires completion of 2 credits in addition to the number required by the state for graduation under the foundation program with the distinguished level of achievement.

NO FINE ARTS SUBSTITUTIONS The District shall not award state graduation credit in fine arts for participation in a community-based fine arts program.

PHYSICAL EDUCATION SUBSTITUTIONS

ACTIVITIES AND COURSES

To the extent permitted by state rules applicable to the student's graduation program, the District shall award state graduation credit in physical education for participation in approved activities and elective courses.

PRIVATE OR COMMERCIAL PROGRAMS The District shall award state graduation credit in physical education for appropriate private or commercially sponsored physical activity programs conducted either on or off campus, upon approval by the Commissioner of Education. [See also EHAC]

PROPOSED REVISIONS

CLASS RANK CALCULATION FOR STUDENTS WHO **ENTERED GRADE 9** PRIOR TO THE 2014-15 SCHOOL YEAR

EXCEPTIONS

WEIGHTED GRADE POINT AVERAGE SCALE

Class ranking shall be determined by averaging all semester grades earned in grades 9-12, with the exceptions noted below. Courses taken in middle school for state graduation credit shall also be used for class rank calculation. Grades transferred from other schools shall be credited in conformity with the course descriptions approved for the established grading system.

Grades earned in band, physical education, athletics, any academic course substituted for physical education, any type of student aide elective, a pass/fail course, or any local credit course shall not be used for class rank purposes. Grades earned through credit by examination, distance learning courses, summer school, or from nonaccredited schools shall not be used to calculate class rank.

The District shall use a weighted GPA scale to calculate class rank. Dual credit, AP, and Pre-AP courses shall receive extra weight. The following chart sets out the weighted GPA scale used by the

District:

| <u>GPA</u> | Dual Credit / AP / | All Other Eligible |

ACADEMIC ACHIEVEMENT CLASS RANKING

EIC (LOCAL)

CALCULATION
BEGINNING WITH
STUDENTS WHO
ENTER GRADE 9 IN
THE 2014–15 SCHOOL
YEAR

EXCLUSIONS

WEIGHTED NUMERICAL GRADE AVERAGE Beginning with students who enter grade 9 in the 2014–15 school year, the District shall include in the calculation of class rank semester grades earned in all high school credit courses regardless of when the credit was earned, unless excluded below.

The calculation of class rank shall exclude grades earned in or by physical education; athletics; an assigned remediation or tutoring course; or a local credit course.

The District shall assign weights to grades earned in eligible courses and calculate a weighted numerical grade average and convert the grade averages to a grade point average (GPA), in accordance with the following scale:

| Category | <u>Weight</u> | Converted to GPA scale |
|--|--------------------|------------------------------|
| Advanced Placement (AP) | multiplied by 1.25 | <u>5.00</u> |
| <u>Dual Credit / College</u> <u>Preparatory</u> | multiplied by 1.20 | <u>4.80</u> |
| Pre-AP | multiplied by 1.10 | <u>4.40</u> |
| All Other Eligible Courses | multiplied by 1.00 | 4.00 |

The District shall record weighted numerical grades on student transcripts. Eligible courses shall be listed in appropriate District publications.

EFFECTIVE FOR ALL GRADUATING CLASSES

LOCAL GRADUATION HONORS For the purpose of determining honors to be conferred during graduation activities, the District shall calculate class rank using grades available at the time of calculation at the end of the third nine-week grading period of the senior year. The grade for the third nine-week grading period shall be used as the semester grade for this purpose.

For the purpose of applications to institutions of higher education, the District shall also calculate class ranking as required by state law. The District's eligibility criteria for local graduation honors shall apply only for local recognitions and shall not restrict class

VALEDICTORIAN AND SALUTATORIAN

The valedictorian and salutatorian shall be the eligible students with the highest and second highest ranking as determined by the District's class ranking procedure described in this policy and who complete the Recommended Program or the Advanced/Distinguished Achievement Program. To be eligible, a student must also have been continuously enrolled in the District high school for the three semesters preceding graduation.

BREAKING A TIE

In cases of a tie in weighted grade point averages (GPA) or weighted numerical grade averages, as appropriate to the student's graduating class, among the top two academically ranked students, the following methods shall be used to determine who shall be recognized as valedictorian:

- The weighted GPA <u>or weighted numerical grade average</u> shall be computed to a sufficient number of decimal places until the tie is broken;
- If a tie remains, the District shall compare the scores on college entrance examinations, provided the students have taken the same examinations;
- If a tie remains, the District shall recognize the student who completed the most dual credit and Advanced Placement (AP) courses; and
- If a tie remains, the student with the highest numerical grade average of all dual credit and AP courses taken shall be declared the valedictorian.

If a tie develops for salutatorian, all students who tie shall be recognized.

CONDUCT

To qualify to give the valedictorian or salutatorian speech, a student shall not have engaged in any serious misconduct violation of the Student Code of Conduct, including removal to a DAEP, a three-day suspension, or expulsion during his or her last two semesters.

HONOR CERTIFICATE

For purposes of the honor graduate certificate, the District-declared valedictorian shall be considered the highest-ranking graduate.

EARLY GRADUATES

To be eligible to graduate early, a student shall complete all coursework and <u>state-mandated</u> testing required of the ninth grade class in which he or she begins high school.

A student who completes the high school program requirements in fewer than four years shall be ranked in the class with which he or she actually graduates.

TRANSFER CREDIT

A student who transfers into the District high school shall receive similar credits counted toward the GPA or weighted numerical grade average according to the list of courses offered in the District and the grade point scale or weighted numerical average scale used for credit earned in the District.

Students transferring into the District shall receive the numerical grade that was earned in courses at another school. Letter grades shall be recorded as follows:

| Convers | Conversion Scale | | |
|---------|------------------|--|--|

About Us

At the Telephone Connection we do more than just provide the best telephony and IT systems and services available; we will assist you in selecting the perfect solution for your company. We offer the very best products and services that will lower you're operating costs and improve your productivity. Unlike many providers we have certified Avaya IP Office technicians in our technical assistance center and in the field. We also maintain a crew of cable specialist to serve your needs.

Since 1994, Telephone Connection has provided its customers with world class and innovative telecommunications and IT systems backed by the finest service in the Austin area. We understand it is not a "one size fits all" world when it comes to IT and telecommunications. As a result, we provide our customers with comprehensive solutions and choices to solve all of their IT/Telecommunications needs. With an emphasis on service, our company is committed to providing the most appropriate and cost effective IT/telecommunications solutions, while exceeding our customers' expectations. We will not disappear after the sale, as we believe service, support, and training are key elements of a successful implementation. Our goal is to do all we can to insure that our clients fully optimize the technology, trust, and investment they have made with the Telephone Connection.

Our Values

We aspire to be the best telephony company in our marketplace. To accomplish this, we have adopted the following core values:

- Customer Commitment: We are committed to exceeding our customer's expectations always.
- Hard Work: We believe hard work is the key to success and there is no substitute.
- **Professionalism:** We will always present and conduct ourselves in a professional manner, consistent with our customer's environment and expectations.
- **Discipline:** Intelligently designed policies and processes are critical to being able to do the right things over and over again.
- **Results-Driven:** In a competitive environment, a company cannot be successful without holding every employee accountable for performance.
- **Continual Improvement:** We are a well-established company that values training, the open sharing of ideas, and constructive feedback.
- **Ethical Action:** We will conduct business with uncompromised ethics, regardless of consequences.

Frost & Sullivan Enterprise Product of the Year Award

"In recent years, the small and medium business segment has grown in importance, becoming the target for a wave of enterprise communications products catering to their specific needs. As a result, capabilities that were once reserved for large enterprises have now made their way into the small business segment. With over 200 thousand platforms installed and over 6 million users worldwide IP Office from Avaya successfully presents SMBs with easy IP and unified communications migration path."

IP Office Review: What To Buy For Business Best Buy

Avaya IP Office deemed "Best Buy" in What to Buy for Business Telephone System Awards. SMB solution awarded gold star on basis of "quality, feature abundance, ease of use, and value for money". Avaya received the acclaimed award following qualitative feedback submitted by users, dealers and resellers. The conclusion of the editors was that Avaya IP Office offers the "best overall value" for this type of solution.

ZDNet Review

"We were impressed with Avaya IP Office -- It is completely modular, the pricing is on the ball (cheaper than ShoreTel's ShoreGear-120) and it scales extremely well. This system is perfect for any small business looking for enterprise-grade functionality without having to fork out big business dollars."

IDA Awards

"Avaya IP Office, winner of the International Design Excellence Awards. An affordable yet sophisticated communications solution that brings together the benefits of voice and Internet technologies to enable a small or medium sized business to act like a Fortune 500 firm."

PC Magazine Review

"We were very impressed by the rich array of features in the Avaya IP Office solution. In terms of complexity and price, the Avaya system is also a good fit for growing companies that want one of the most advanced systems out there."

Avaya is the number one provider of IP handsets and telephone systems in the world, since mid-2012.

Special Olympians at LVES, LVMS, LVHS and 18+ Program

Girl's Varsity Softball Team - Bi-District Qualifiers

Boy's Varsity Baseball Team - Bi-District Qualifiers

Girl's Varsity Tennis Team - Team State Champions, Girls Doubles State Champions (State Runner Ups and State Singles Quarterfinalist.

Boy's Varsity Golf Team - State Tournament Qualifiers

Girl's Varsity Golf Team - Regional Qualifiers and Alternate to State

Nineteen students were recognized for qualifying for the UIL Academic State Competition and one student was recognized for qualifying for the State Track Meet.

One citizen signed up to speak - Doreen McClendon regarding OFYP policy

3. Recognition of retiring staff member

Karen Green is retiring at the end of the year and was recognized for her years of service to the District.

4. Construction Update - Owners Building Resource

A construction report was given by Jo Zunker with OBR. Plans have been finalized to allow for the graduation activities to be held in the new competition gym. Met with Chief McAllister to discuss fire watch and agreed upon fees paid by LVISD to have fire truck and full crew on site.

There are some acoustical concerns in the cafeteria, but the gym audio system has been tested and works well. There is still much work left to be completed in the PAC (6 weeks to go), but the hole in the west wall

should be closed this week.

An additional maintenance and emergency vehicle road is needed to get to back of football and practice fields – cost will be at around \$40,000

Tennis court update – fencing complete, gates should be in this week

5. SHAC Update

District nurse, Gina Carmichael, gave update regarding the Student Health Advisory Committee. The absence of a qualified nurse at each campus is still one of the most pressing issues facing the District.

6. Food Service Contract for 2014-2015

Food Service contract was presented and Eddie Gandara of Aramark spoke to board regarding past and present federal regulations food service companies have to follow.

David Scott moved to accept the 14-15 food service contract

Tom Rugel seconded

After much discussion

Motion carried 5-1 (Scott Berentsen voting Nay)

7. Consideration and possible action regarding EIC Local (GPA Calculation)

A second reading of the District's EIC Local policy was provided the board for consideration. The policy would provide students with a slightly higher weighted GPA if the AP test is completed in a Dual Credit Class. No action taken

8. Investment Officer Training

The investment officer training completed by the Superintendent was approved

Scott Berentsen moved accept the training

Stacy Eleuterius seconded

Motion carried 6-0

9. Superintendent Report

- a. Superintendent Evaluation A template for the evaluation of the Superintendent was provided.
- b. Hosting District Track 14-15 Costs associated with the District hosting next year's District Track Meet
 was shared with the Board (would need another jumping pit at end of track; would need to invest
 in hurdles)
- c. End of year events
- d. Graduation
- e. NexGen A review of the guiding principles for the District's NexGen learning philosophies was presented.

10. Consent Agenda

- a. Minutes of previous mtg.
- b. Budget Amendments
