Changes to Domain 7 of the NexGen Appraisal System will be necessary as we shift from Locally Developed Curriculum processes to adopting TEKS Resource System.

§150.1001. General Provisions.

(f) The statutorily required components of teacher appraisal are defined as follows.

(1) The implementation of discipline management procedures is the teacher's pedagogical practices that produce student engagement and establish the learning environment.

(2) The performance of teachers' students is how the individual teacher's students progress academically in response to the teacher's pedagogical practice as measured at the individual teacher level by one or more of the following student growth measures:

- (A) student learning objectives;
- (B) student portfolios;
- (C) pre- and post-test results on district-level assessments; or
- (D) value-added data based on student state assessment results.

Currently, Domain 7 is outlined as follows on page 78 of the NexGen Teacher Appraisal System Manual:

Domain 7: Student Learning Objectives			
<p>Critical Attributes</p> <ul style="list-style-type: none"> • 7.1: Curriculum Development and Priority Standards: The teacher identifies appropriate priority standards for the grade-level content area and organizes the scope and sequence to best ensure mastery of these priority standards. • 7.2: High Quality Performance Assessments: The teacher crafts high quality performance assessments to evaluate student mastery of identified priority standards and provides this information on each unit plan. • 7.3: Communication of Student Performance Criteria: The teacher creates a scoring guide/rubric to communicate student performance criteria used to assess performance tasks and includes criteria that reflect high expectations for students. • 7.4: Student Progress Monitoring: The teacher monitors student progress, collects data, reflects on his/her pedagogy, and makes successful adjustments to strategies, as needed. • 7.5: Student Mastery of Learning Outcomes: The teacher utilizes formative and summative assessments that indicate that all or almost all of his/her students demonstrate targeted mastery of the standards-based learning outcomes. 			
Evaluation Criteria for Domain 7: Student Learning Objectives			
Exceeds Expectations	Meets Expectations	Below Expectations	Unsatisfactory
<ul style="list-style-type: none"> • Teacher meets District standards 100% of the time. 	<ul style="list-style-type: none"> • Teacher meets District standards with only a few exceptions. 	<ul style="list-style-type: none"> • Teacher frequently fails to meet District standards. 	<ul style="list-style-type: none"> • Teacher consistently fails to meet District standards.

Proposed changes align to the TEA approved SLO process & is adapted from pages 4 & 36 of *Student Learning Objectives Implementation Guide for Teachers* (TEA, texasslo.org, 2021):

Domain 7: Student Learning Objectives

Critical Attributes

- **7.1 Creating a Student Learning Objective:** The teacher identifies the foundational skill they will address in their SLO, identifies student starting points on the foundational skill, and develops clear targets for student growth.
- **7.2 Monitoring Progress to Drive Instruction:** The teacher works with their appraiser and PLC to engage in ongoing progress monitoring toward goals, designing assignments/projects/assessments that align with the SLO. The teacher develops strategies to adjust instruction based on analysis of student learning.
- **7.3 Evaluating Success and Reflection:** The teacher compiles a body of evidence of student work to determine whether students have met their growth goals. The teacher reflects with their appraiser regarding the effectiveness of the teacher's engagement in the SLO process and plans for instructional refinement.

Evaluation Criteria for Domain 7: Student Learning Objectives

I. PURPOSE

[_____], herein referred to as the School Food Authority (SFA), is responsible for operating the U.S. Department of Agriculture's (USDA) School Nutrition Programs (SNP) in schools under its jurisdiction, pursuant to an agreement with the Texas Department of Agriculture (TDA). To assist in carrying out this responsibility, the SFA is soliciting proposals for school food service management services for the 2023-2024 School Year. This Request for Proposals (RFP) is for a fixed-price contract and sets forth the terms and conditions applicable to the proposed procurement. The offeror is herein referred to as the Food Service Management Company (FSMC). The FSMC will provide services to the SFA as described in the Scope of Work in this RFP and will manage and operate a nonprofit school food service for the SFA according to SNP requirements of the USDA and TDA.

II. NOTICE TO PROSPECTIVE OFFERORS

A. Legal Notice

All costs involved in submitting a response to this RFP shall be borne in full by the party incurring said cost. Offerors or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals. Failure to do so will be at the Offeror's own risk and therefore cannot secure relief on a plea of error.

Any contract that may arise from this RFP will be between the selected FSMC and SFA. SFA is not liable for any cost incurred prior to the signing of the contract by both parties and final approval is provided by TDA.

The SFA strongly encourages Historically Underutilized Businesses (HUB), Minority and Women Business Enterprises (MWBE), and labor surplus area vendors to compete for this RFP.

B. FSMC Registration

Pursuant to 7 CFR 210.19(a)(5), all food service management companies that wish to contract for food service with any school food authority within the State must register with TDA. Only proposals from offerors in the TDA approved FSMC Vendor List of registered companies operating within the State for the school year specified in the RFP may be considered.

C. Inquiries/Request for Information

If additional information or clarification is required to respond to this RFP, please contact the SFA's business office by telephone at _____ or by email at _____. If additional information is provided, it will be shared with all offerors.

D. Procurement Method

The SFA is conducting this procurement by the Request for Proposals (RFP) competitive procurement method. All procurement transactions shall be conducted in a manner that provides maximum full and open competition consistent with 2 CFR 200.

Discussions may be conducted with responsible offerors who submit proposals determined to be reasonably susceptible to be selected for award, for the purpose of clarification, to assure full understanding of all terms and conditions of the response to this RFP and contract requirements. In

conducting these discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

E. Pre-Proposal Meeting

A meeting with interested offerors to review the specifications, clarify any questions, and for a walkthrough or tour of the facilities with school officials will be held [_____] on _____ (Date) at _____ (Time), at the following: _____ (Location/Link/Phone). Attendance is _____. [Note: If SFA makes attendance by offerors mandatory, then SFA may not waive this requirement.] Vendor presentations _____ be scheduled at this time.

III. PROPOSAL CONTENT AND SUBMISSION

4. The SFA may reject a proposal if the proposal is conditional or incomplete, deemed nonresponsive, or if it contains any alterations of form or other irregularities of any kind. Any additional terms and conditions attached to or contained in a proposal submitted in response to this RFP will not be considered and may result in disqualification of the proposal. Value-added responses (i.e., an offer of goods and/or services using general terms rather than addressing the expectations specifically defined in the RFP) and overly responsive elements of an offeror’s proposal (i.e., an offer of a good and/or service that is not solicited in the RFP) shall not be considered.
5. Inclusion of any false or misleading information shall be sufficient cause for the rejection of the proposal or termination of any subsequent contract.
6. To be eligible for evaluation, a proposal must include all information and vendor signatures where required and adhere strictly to the format set forth below; failure to do so may result in disqualification. Offerors must complete, label, and separate each section, and number all pages. Proposals must not include vendor marketing or promotional materials. A proposal is considered responsive if it follows the required format, includes all attachments, and meets all deadlines and other requirements outlined in this RFP.

Responsive proposals will be evaluated using the weighted criteria stated in the RFP. Proposals will be evaluated by a committee consisting of SFA employees and representatives familiar with the terms and conditions of the RFP criteria and the evaluation process.

B. Basis of Award

Award will be made to a qualified and responsible offeror whose proposal is most advantageous to the SFA's school lunch program, price and other factors considered, with price the primary factor. A responsible offeror is one whose financial, technical, and other resources indicate an ability to perform the services required.

In determining to whom to award a contract, the SFA is not limited to selecting the proposal with the lowest cost but may consider other factors such as: (1) the extent to which the goods or services meet the SFA's needs; (2) indicators of probable vendor performance under the contract such as past vendor performance, the FSMC's past relationship with the SFA, the FSMC's financial resources and ability to perform, or the FSMC's experience or demonstrated capability and responsibility; and (3) any other relevant factor specifically listed in the RFP. While price is not the sole basis for award, price shall be the primary consideration in the selection for award.

C. Proposal Protest Procedures

Pursuant to 2 CFR Part 200.318(k), the SFA’s protest procedures are attached to this RFP as Exhibit H.

V. GENERAL CONTRACT TERMS

A. Contract Term and Renewals

1. Unless terminated in accordance with Section VI, paragraph K, this Contract will be in effect for a period of one year commencing on July 1, 2023 and terminating on June 30, 2024. The Contract may be renewed for up to four (4) additional one-year periods, with the term of the renewal commencing on July 1st following the expiration of the preceding one-year term of the Contract, upon mutual agreement between SFA and FSMC and subject to fulfillment of all contract terms designated herein.
2. Renewal contracts may not be effective prior to the final approval date by TDA and signed by both parties.
3. Failure to have renewal contracts fully executed prior to the contract expiration will lapse this contract and require the SFA to re-bid the contract unless a written request for approval is submitted to and granted by TDA.
4. Renewal year contracts are contingent upon fulfillment of all contract provisions. If TDA determines during an Administrative Review, Procurement Review, or audit of the SFA’s operation of the school food service that the FSMC is not meeting contractual obligations and is responsible for non-compliance of program regulations, TDA may decline to approve a renewal contract until it can be demonstrated that the FSMC is capable of meeting contractual obligations and compliance with program regulations.
5. The SFA’s policies, practices, and service requirements shall remain materially consistent throughout the contract term and any subsequent contract renewals. The term materially consistent shall mean that a change does not (1) materially increase FSMC’s cost of providing management service or (2) materially decrease the net revenue derived from the food service operations.

B. Changes and Amendments

1. Material changes to the Contract are not permitted. Changes to the scope of services to be provided by the FSMC beyond the original intent of this RFP that would constitute a material change to the Contract will require this Contract to be rebid.
2. Any changes to the terms or conditions of this Contract which are required by federal or state laws or regulations are automatically incorporated into the Contract without written amendment and shall become effective on the date specified in such law or regulation.
3. Price Adjustments. The fixed price per meal/meal equivalent may be increased on an annual basis by the Yearly Percentage Change in the Consumer Price Index for All Urban Consumers, as published by the U.S. Department of Labor. Such increases shall be effective on a prospective basis on each anniversary date of this Contract and will only be permitted if approved in advance by SFA. Fee increases for the upcoming Contract renewal year must be submitted to SFA by December 31st of each year. No other fee increases will be allowed. Price adjustments shall be by amendment in writing and executed by both parties to this Contract.

C. Contract Documents

The complete contract will include this RFP and the proposal submitted by the FSMC, as outlined in Section III, 6. of this RFP.

D. TDA Review

The Contract may not be executed until TDA approval is provided. Costs incurred prior to TDA approval may not be paid using federal child nutrition funds.

Substitutions for disability reasons must be made on a case-by-case basis only when supported by a written statement of the need for substitutions that includes recommended alternate foods unless otherwise exempted by FNS. Such a statement must be signed by an appropriately licensed medical practitioner (reference: 7 CFR 210.10(g)(1); SP 40-2017; SP 26-2017; and SP 59-2016). The FSMC may make a substitution for those nondisabled students who are unable to consume regular breakfast or lunch because of medical or other special dietary needs. Accommodations for special dietary needs for students without medical disabilities are an SFA decision. If a substitution is made to accommodate the special dietary needs of one student, the same accommodation must be made for all students with the same dietary need (reference: 7 CFR 210.10(g)(2)). There will be no additional charge to the student for such substitutions. (USDA,

C. Use of Advisory Group/Menus

1. SFA shall establish, and the FSMC shall participate in the formation, establishment, and periodic meetings of, an SFA advisory board composed of students, teachers, and parents to assist in menu planning. Reference 7 CFR 210.16(a)(8).

The 21-day cycle menus developed and provided by the SFA allows the FSMC to determine the bid price. These menus must be followed without any changes to specifications. The menus are attached to this Contract as “Exhibit M” and fully incorporated herein. At a minimum, such food specifications shall include: (i) a recipe for each menu item that includes the total yield, portion size, ingredients, and all USDA-required nutrient information; (ii) the identity of all branded items that may be used in the meal; and (iii) whenever possible, the grade, style, and condition of each food item and other information that indicates the acceptable level of quality for each food item. FSMC shall provide a detailed recipe for each Food Specification identified for the 9th day in the NSLP menu cycle. A hard copy of these recipes shall be kept on file at SFA.
3. FSMC must follow: (i) the 21-day menu cycle and food specifications developed by the SFA for the NSLP; (ii) the 21-day menu cycle and Meal Specifications developed by SFA for the SBP; (iii) the 21-day menu cycle and Meal Specifications developed by SFA for the After School Snack Program; and (iv) the 21-day menu cycle and Meal Specifications developed by SFA for the Summer Program (Reference 7 CFR 210.16(b)(1)) or any other program operated on behalf of the SFA.

5. FSMC may not change or vary the menus after the first menu cycle for the NSLP, SBP, ASCP, Summer Program, or the à la carte items without the written approval of the SFA. SFA shall approve the menus no later than two weeks prior to service. (Reference 7 CFR 210.16 and 7 CFR 210.10) Any changes or variances requested by an FSMC for substitutions to the SFA menu of lower quality food items shall be justified and documented in writing by FSMC. FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to SFA, TDA, and USDA for review upon request 7 CFR 210.16(c)(1) and 7 CFR 210.23.
6. FSMC must submit an FFVP cycle menu based on the information contained in the 2004 Resource, *Fruits and Vegetables Galore: Helping Kids Eat More*, (available from the FNS website, and as described in current guidance from USDA and TDA) if operated.

D. Purchases and Geographic Preference

1. Whether the SFA conducts its procurement or whether the FSMC procures products on behalf of the SFA, FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which SFA would require under procurements not involving FSMC.
2. If applicable, FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for SFA or TDA review. Cost should be broken into two categories: (1) operational cost and (2) administrative cost.
 - a. Operational costs should cover the primary cost to run the FFVP to include the purchase of fruits and vegetables, including the cost of pre-cut produce and delivery charges; non-food items or supplies that are used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables and in maintaining a sanitary environment.

- b. Administrative costs are used principally to support planning and to manage the program. The SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits and vegetables in accordance with applicable law and regulations; and (v) do not request reimbursement for more than 10% for administrative costs. TDA will monitor the SFA and FSMC to ensure strict compliance with this provision.
 - c. The FSMC must return the full value of USDA Foods to the CE.
3. FSMC shall complete such purchasing activities in a manner that does not result in duplication of services or expenses in accordance with 2 CFR Part 200.318(d). An FSMC and SFA shall ensure that no conflict of interest exists between the third-party purchasing agent if any, and the SFA's contracted FSMC. The FSMC must not procure additional goods or services beyond what is stipulated in this Contract.
 4. SFA shall ensure that FSMC shall comply with all applicable competitive bidding and open competition requirements for such purchases, as set forth in 2 CFR Part 200, including but not limited to 2 CFR 200.318-327.
 5. SFA and FSMC acknowledge that to the extent required by 7 CFR 250.17(e), 2 CFR Part 200, SP 38-2017, and SP 32-2019, SFA must, to the maximum extent practicable, purchase only domestic food and food products for the National School Lunch Program and School Breakfast Program that are produced and processed in the United States using over 51% domestic foods, by weight or volume. As required by the Buy American provision, all products must be of domestic origin as required by 7 CFR Part 210.21(d). A "domestic commodity or product" is defined as one that is either produced in the U.S. or is processed in the U.S. substantially using agricultural commodities that are produced in the U.S. as provided in 7 CFR 210.21(d). Exceptions to the Buy American provision should be used as a last resort; however, the SFA only may approve an alternative or exception. Requests for exception must include the: a) Alternative substitute(s) that are domestic and meet the required specifications: i) Price of the domestic food alternative substitute(s), and ii) Availability of the alternative domestic substitute(s) in relation to the quantity ordered; and b) Reason for exception: limited/lack of availability or price (include price): iii) Price of the domestic food or food product; and iv) Price of the non-domestic food or food product that meets the required specification of the domestic food or food product.
 6. To indicate a geographic preference, the SFA must check ONLY ONE of the following:
 - For this contract, SFA requires that FSMC work with the SFA to establish a process for incorporating geographic preference in the procurement of *unprocessed locally raised and locally grown agricultural products*.
 - For this contract, SFA does not require that FSMC work with the SFA to establish a process for incorporating geographic preference in the procurement of *unprocessed locally raised and locally grown agricultural products*.

E. USDA Foods

1. SFA shall retain title to all USDA Foods.
2. SFA shall ensure that all federally donated foods received by the SFA and made available to the FSMC accrue only to the benefit of the SFA's nonprofit school food service and are fully utilized therein. 7 CFR 210.16(6).
3. SFA shall assure that the maximum amount of USDA Foods is received and utilized by FSMC. 7 CFR 210.9(b)(15).

4. SFA shall ensure that FSMC has credited them for the value of all USDA Foods received for use in SFA's meal service in each School Year, (including both entitlement and bonus foods) regardless of whether the USDA Foods have been used. The value of foods received shall appear as a credit on the invoice for the month in which the donated food was received. This must include the value of USDA Foods contained in processed end products, in accordance with the contingencies in 7 CFR part 250.51(a).
5. SFA shall maintain final responsibility for management and oversight of the procurement for processing agreements, private storage facilities, or any other aspect of financial management relating to USDA Foods. 7 CFR 210.16, 7 CFR 250.50(d).
6. The FSMC will not itself enter into the processing agreement with the processor required in subpart C of 7 CFR part 250; 7 CFR 250.53(a)(8).
7. FSMC will conduct all activities relating to USDA Foods for which it is responsible in accordance with 7 CFR Parts 250, 210, 220, 225, and 226, as applicable.
8. The FSMC shall credit the SFA the value of USDA Foods contained in the end products at the processing agreement value monthly. 7 CFR 250.50(c); 250.53(a)(3). All refunds received from processors must be credited on invoices submitted to the SFA's Nonprofit School Food Service Account. 7 CFR 250.51(a-b). The method used to determine the donated food values may not be established through a post-award negotiation or any other method that may directly or indirectly alter the terms and conditions of the procurement or contract.
9. FSMC must accept and use all USDA donated ground beef and ground pork products, and all processed end products in the SFA's Food Service Program, and must use all other donated foods, or commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the donated foods, in the SFA's food service (unless the contract specifically stipulates that the donated foods, and not such commercial substitutes, be used). Upon termination of this Contract, or if this Contract is not extended or renewed, FSMC must return all unused donated ground beef, pork, and processed end products to SFA. 7 CFR 250.51(d); 7 CFR 250.52(c); 7 CFR 250.53(a)(5).
10. FSMC further agrees to accept and use all other USDA Foods in SFA's food service. FSMC may or may not use (substitute) commercially purchased foods of the same generic identity, of U.S. origin, and of equal or better quality than the USDA Foods, in SFA's Food Service Program. 7 CFR 250.53(a)(6).
 - a. SFA shall consult with the FSMC in the selection of USDA Foods; however, the final determination as to the acceptance of USDA Foods must be made by the SFA.
 - b. Upon termination of this Contract, FSMC must, at SFA's discretion, return other unused USDA Foods to SFA. The value of other unused USDA Foods shall be based on the market value of all USDA Foods received for use in SFA's food service. The market value shall be provided to the SFA by TDA. 7 CFR 250.51(a).
 - c. At the end of the year, the FSMC shall reconcile the value of USDA Foods received against credits provided on monthly invoices. The contractor shall provide final credit of any balance due to the school district. The total credit given for USDA Foods in each year must equal the USDA Foods, including bonus foods, received to the SFA. The credits must also encompass any transfers from other SFA and/or the state agency accepted in excess of directly received USDA Foods.
11. FSMC shall have records maintained and available to substantiate the receipt, use, storage, and inventory of USDA Foods. The FSMC must submit to the SFA monthly inventory reports showing all transactions for processed and non-processed USDA Foods. Failure by the FSMC to maintain records

as required by 7 CFR section 250.16 shall be considered prima facie evidence of improper distribution or loss of USDA Foods and the FSMC shall be subject to the provisions of 250.13(e). FSMC shall accept liability for any negligence on its part that results in any loss of, improper use of, or damage to USDA Foods.

12. If the FSMC acts as an intermediary between a processor and the SFA, the FSMC shall credit the SFA for the value of USDA Foods contained in the processed end products at the USDA processing agreement value, unless the processor is providing such credit directly to the SFA. The FSMC will issue all such credit in full prior to the expiration of each Contract Term. Any extensions or renewals of this contract, if applicable, are contingent upon the fulfillment of all contract provisions related to foods.
13. FSMC will comply with 7 CFR 250.14(b); 250.52, and 250.53(a)(9) concerning storage and inventory management of USDA Foods. 7 CFR 250.53(b). Failure by FSMC to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA Foods.
14. FSMC will comply, as applicable, with 7 CFR 250.51 and 250.52 concerning payment of processing fees or submittal of refund requests to a processor on behalf of the SFA, or remittance of refunds for the value of foods processed in products to the SFA, in accordance with requirements in 7 CFR Part 250 subpart C.
15. FSMC shall allow SFA and/or any state or federal representative or auditor, including USDA or their duly authorized representatives, to perform onsite reviews of FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA Foods 7 CFR 250.53(a)(10).
16. FSMC shall maintain records to document its compliance with requirements relating to USDA Foods in accordance with 7 CFR 250.54(b) 7 CFR 250.53(a)(11).
17. FSMC acknowledges that the renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA Foods 7 CFR 250.53(a)(12).
