MEMORANDUM OF UNDERSTANDING FOR THE JUVENILE JUSTICE ALTERNATIVE EDUCATION COOPERATIVE OF TRAVIS COUNTY

This Memorandum of Understanding ("Agreement") is an interlocal agreement entered into pursuant to Texas Education Code, Chapter 37 and the Texas Interlocal Cooperation Act, Texas Government Code Chapter 791, and is entered into to be effective the 1st day of September, 2012, between **Travis County**, the **Travis County Juvenile Board** ("TCJB"), and the following educational entities: **Austin** Independent School District, **Del Valle** Independent School District, **Lago Vista** Independent School District, **Leander** Independent School District, **Manor** Independent School District, **Pflugerville** Independent School District, and **Round Rock** Independent School District (hereinafter referred to collectively as the "ISDs"). The parties to this Agreement shall be collectively referred to herein as "Participants."

RECITALS:

WHEREAS:

- (1) Texas Education Code Sec. 37.011(m) requires the TCJB to enter into a memorandum of understanding with the ISDs establishing a juvenile justice alternative education program; and
- (2) The Participants desire to participate in the Juvenile Justice Alternative Education Program Cooperative of Travis County ("JJAEP Co-Op") and to comply with the agreements contained herein; and
- (3) The ISDs wish to reach an agreement with the TCJB as to the placement of students expelled from school under the discretionary expulsionand removal provisions of Texas Education Code Chapter 37; and
- (4) The Participants desire to create and operate the JJAEP Co-Op pursuant to Chapter 37 of the Texas Education Code and this Agreement; and
- (5) The Participants further desire to define and create the duties and responsibilities of the Participants, and to set forth herein the methods by which the Participants shall fund, govern and establish the JJAEP Co-Op; and

- (6) The Participant ISDs recognize that the Texas Legislature has appropriated certain funds to pay the County and TCJB for the cost of educating students in the JJAEP Co-Op who are expelled under the mandatory expulsion provisions of Texas Education Code Chapter 37. However, such funds are insufficient to meet the cost of educating students in the JJAEP Co-Op; and
- (7) The ISDs are required to consider course credit earned by a student while in the JJAEP Co-Op as credit earned in a school district program pursuant to Texas Education Code Section 37.010(d), and the ISDs have an ongoing interest in the quality of education provided in the JJAEP Co-Op and the academic success of students who will be returned from the JJAEP Co-Op to the regular school setting. Therefore, the ISDs desire to assist in providing the JJAEP Co-Op with full, adequate funding; and
 - (8) The relationship between the Participants necessitates this Interlocal Agreement;

NOW THEREFORE, BY THIS AGREEMENT IT IS MUTUALLY UNDERSTOOD AND AGREED BY THE PARTICIPANTS AS FOLLOWS:

SECTION ONE: DEFINITIONS

For purposes of this Agreement:

- 1.1 "discretionary" shall mean any student who is expelled or removed from the regular classroom and meets the definition of any one of the following three categories:
- 1.1.a. "discretionary Category I" shall mean any student who is expelled under Texas Education Code Sec. 37.007 (b), (c), (f) or (i);

- 1.2 "ISSP transition team" shall mean those persons responsible for reviewing a student's academic progress in accordance with Texas Education Code Sec. 37.011(d); that is, the TCJB or its designee, and the parent or guardian of the student. For purposes of this Agreement, a representative of the ISD from which the student was expelled may also be a member of the ISSP transition team, together with any JJAEP Co-Op staff as may be appropriate.

- 1.3 "mandatory expulsion" shall mean any student who is expelled pursuant to the provisions of Texas Education Code Sec. 37.007 (a), (d) or (e).

- 1.6 "student" shall mean any person residing in TravisCounty aged ten years or older and required to attend school pursuant to Texas Education Code Sec. 25.085.

SECTION TWO: STUDENT CODES OF CONDUCT

- 2.1 The JJAEP Co-Op will be created and operated pursuant to Chapter 37 of the Texas Education Code and this Memorandum of Understanding. Each ISD has developed a Student Code of Conduct, specifying the circumstances under which a student may be removed from a classroom, campus, or alternative education program.
- 2.2 The Student Code of Conduct adopted by each ISD shall set forth the circumstances under which students will be subject to expulsion from the school setting and placement in the JJAEP Co-Op. A student may be expelled and placed in the JJAEP if the student, while placed in a disciplinary alternative education program, engages in documented serious misbehavior despite documented behavioral interventions. Serious misbehavior, as defined by Texas Education Code 37.007(c), means:
 - (1) Deliberate violent behavior that poses a direct threat to the health or safety of others;
 - (2) Extortion, meaning the gaining of money or other property by force or threat;
 - (3) Conduct that constitutes coercion, as defined by Section 1.07, Texas Penal Code; or
 - (4) Conduct that constitutes the offense of:
 - (A) Public lewdness under Section 21.07, Texas Penal Code;
 - (B) Indecent exposure under Section 21.08, Texas Penal Code;
 - (C) Criminal mischief under Section 28.03, Texas Penal Code;
 - (D) Personal hazing under Section 37.152, Texas Education Code; or
 - (E) Harassment, under Section 42.07(a)(1), Texas Penal Code, of a student or district employee.

Each ISD agrees that the following categories of conduct constitutes "serious and persistent misbehavior" that may result in expulsion from the school district alternative education program under Texas Education Code Sec. 37.007 (e):

"Serious or persistent misbehavior" shall mean two or more violations of the District's Student Code of Conduct in general, or repeated occurrences of the same violation. "Serious" offenses include, but are not limited to: assault of a teacher or other individual; retaliation against a school employee or volunteer; the use, gift, sale, delivery, possession, or being under the influence of alcohol, marijuana, other controlled substances, dangerous drugs or abusable glue or volatile chemicals; engaging in conduct that constitutes criminal mischief; vandalism; robbery or theft; extortion, coercion or blackmail; aggressive, disruptive action or group demonstration that substantially disrupts or materially interferes with school activities; hazing; profanity, vulgar language, or obscene gestures directed toward teachers or other school employees; fighting; public lewdness; sexual harassment of a student or District employee; falsification of records, passes, or other school related documents; terroristic threat or false report pursuant to Texas Education Code Sec. 37.007(b)(1); and possession or distribution of pornographic materials. A student may be subject to "discretionary" expulsion for serious and persistent misbehavior only if the student is already in a school district alternative education program, and engages in, or continues to engage in "serious and persistent misbehavior."

These categories of misconduct are intended to be illustrative, and not comprehensive. Individual ISDs may include other similar categories of misconduct in the ISD's Student Code of Conduct; provided, however, that the conduct specified for this category of offense should reflect student misbehavior that is either serious or persistent in nature.

- 4.4 Every student eligible for placement in the JJAEP as set forth by the provisions of this Agreement who has been expelled from an ISD, and for whom information has been provided by the ISD from which the student has been expelled to the juvenile court in accordance with Texas Family Code Sec. 52.041, shall be ordered by the juvenile court to enroll in the JJAEP Co-Op as soon as reasonably practicable after the juvenile court's receipt of such notice. The information provided by the ISD for any student expelled for serious misbehavior under Texas Education Code Sec. 37.007 (c), shall include documentation of the serious misbehavior and documentation of the behavioral interventions provided by the ISD prior to the expulsion.
- 4.5 Failure of an ISD to timely notify the juvenile court of an expulsion pursuant to Texas Family Code Sec. 52.041 shall result in the student's duty to continue attending the school district's educational program, which shall be provided to that student until such time as the notification to the juvenile court is properly made.
- 4.6 The juvenile court shall, for each student taken into custody for conduct that occurred on school property or at a school-sponsored or school-related activity, use its best efforts to ascertain whether the conduct for which the student was taken into custody would

subject the student to mandatory expulsion. If the juvenile court ascertains that the conduct for which the student was taken into custody is such that it would subject the student to mandatory expulsion, the juvenile court shall consider entering an order that the student immediately begin attending the JJAEP Co-Op pending resolution of the disciplinary action, including any expulsion hearings, at the ISD.

- 4.7 It is the intent of the Participants hereto that for each expelled student who is placed in the JJAEP Co-Op, the term of such placement will be coterminous with the term of the student's expulsion from school. The ISDs agree that a placement term of no less than one six week grading period will be required, absent extenuating circumstances. Students must remain in the JJAEP Co-Op for the full period ordered by the juvenile court unless the student's school district agrees to accept the student before the date ordered by the juvenile court or the student is referred back to the ISD pursuant to Section 4.8 or Section 4.9 or Section 4.10 herein. The juvenile court shall consider the term of a student's expulsion in entering any order as to the student, including terms and conditions of release from custody, deferred prosecution, or probation. At the conclusion of the student's term of probation, or any other requirement imposed by the juvenile court, including conditions of a deferred prosecution ordered by the court, or such conditions required by the prosecutor or probation department, and if the student meets the requirements for admission into the public schools established by law, the school district in which the student resides must readmit the student, but may assign such student to the school district alternative education program.
- 4.8 It is the intent of the Participants hereto that the JJAEP Co-Op shall give priority to mandatory expulsion students from each of the ISDs. It is understood by the Participants, however, that the JJAEP Co-Op has limited space and staffing, and that conditions outside the control of any Participant to this Agreement may cause fluctuations in the JJAEP Co-Op population. The current maximum capacity of the JJAEP is fifty students. The "maximum capacity" of the JJAEP may be redefined from time to time, however, as deemed appropriate by the JJAEP Co-Op. Given the limited space at the JJAEP, participants agree to abide by the following procedures for discretionary placement decisions:
 - A. Each participating school district will be permitted to enroll as many as four discretionary students in the JJAEP Co-Op at any time during the school year. These students must meet the definition of discretionary Category I, II or III as set forth by this Agreement.
 - B. Discretionary students will not be accepted into the JJAEP in the event that maximum capacity has been reached.
 - C. Discretionary students will not be accepted into the JJAEP if the student is

seventeen (17) years of age or older, and not under the jurisdiction of the juvenile court.

In the event the JJAEP has reached maximum capacity and a mandatory expulsion student is referred for placement in the JJAEP Co-Op, the JJAEP Manager will immediately identify the school district(s) with the highest number of discretionary student placements, and determine which discretionary student from these districts should be dismissed from the JJAEP Co-Op to accommodate the additional mandatory expulsion student. The JJAEP Manager will base this decision on information regarding the circumstances for the expulsion and the student's behavior while at the JJAEP.

- 4.9 A student who is assigned to the JJAEP as a "discretionary category II" student for a felony offense under TEC Section 37.0081(a) shall be returned to the sending ISD upon the first of the following events to occur:
 - a. The charges are dismissed or reduced to a misdemeanor offense,
 - b. The student is acquitted,
 - c. The student completes the term of placement,
 - d. The student is assigned to another program,
 - e. The student graduates from high school.
- 4.10 A student who is assigned to the JJAEP for engaging in serious misbehavior, as defined by and pursuant to TECSection 37.007(c) will be returned to the sending ISD upon the completion of thesemesteror, in circumstances when the student is expelled within 6 weeks of the end of a semester, the completion of the following semester, unless otherwise returned earlier by expiration of the term of the expulsion or by other mutual agreement.

SECTION FIVE: LIAISON

- 5.1 Each ISD shall notify the juvenile court in writing of its designated Liaison. Each Liaison shall have authority to offer recommendations to the juvenile court regarding placement alternatives for students under the jurisdiction of the juvenile court, and to bind the Liaison's respective ISD to any agreement to return a child to the school setting.
- 5.2 The Liaison shall assist the juvenile court in obtaining the permission from the parent(s) of each student served by the JJAEP Co-Op to release medical, educational or other appropriate records to the juvenile court and to the JJAEP Co-Op. In the absence of such parental consent, the juvenile court may consider the need for a court order releasing such

records, and the Liaison may provide the juvenile court with such other educational information regarding the child as may be permitted by law.

- 5.3 The Liaison shall be responsible for coordinating the ISD's participation on the ISSP transition team, as appropriate.
- 5.4 As necessary, the Liaison will consult with representatives of the Participants regarding matters affecting the programs, services, and student population of the JJAEP Co-Op.

SECTION SIX: <u>JJAEP CO-OP FACILITIES AND STAFFING</u>

6.1 The JJAEP Co-Op facilities and staffing will be provided by TravisCounty and the TCJB. Such facilities and staffing may be provided under a separate agreement with one or more ISDs or a third party provider. It is contemplated by the Participants that the facilities, staffing, services and other requirements of the JJAEP Co-Op will be fully operational no later than the first day of school in each year in which this Agreement continues in force and effect. The JJAEP Co-Op shall operate on the same school calendar as the Austin Independent School District. TCJB shall comply with all state bidding and procurement laws in obtaining facilities and staffing for the JJAEP Co-Op to the extent such are applicable.

SECTION SEVEN: TRANSPORTATION

7.1 Each ISD shall be responsible for providing for the transportation of its students to and from the JJAEP Co-Op facility. Each ISD acknowledges and agrees that the student drop off and pick-up locations will be no further than two (2) miles from the students' residence. Disciplinary incidents occurring during transport on the ISDs' vehicles will be referred to the JJAEP Program Administrator or designee for appropriate disciplinary action.

SECTION EIGHT: RELEASE OF STUDENT AND JUVENILE RECORDS

8.1 The governing body of each Participant finds that in order to appropriately serve students receiving services under this Agreement, the sharing of information pertinent to the provision of education and rehabilitation services is essential and in the best interests of the students served. In the absence of parental consent, the juvenile court with jurisdiction over a student receiving educational services under this Agreement shall consider authorizing the entities providing services to such student to release appropriate juvenile, educational, diagnostic, treatment or other records as appropriate to permit the consistent provision of services to the student.

- 8.2 All student education records discussed or reviewed by any person specific to an individual student shall be considered confidential, and shall be shared only with the juvenile court, the student, the parent(s) or guardian(s) of the student, and those employees of the juvenile court, Participant, or JJAEP Co-Op with a legitimate educational interest in the student. Student educational records shall be transferred to the appropriate ISD upon dismissal of a student from the JJAEP Co-Op.
- 8.3 Each ISD shall be responsible for providing the JJAEP the following education records prior to the students admission to the JJAEP:

Grades and transcript (current and past semester)
Immunization records
Special Education assessments if applicable
ARD and IEP information if applicable
Current information related to state-mandated assessments
Attendance and grades for one prior full semester

SECTION NINE: FUNDING FOR JJAEP CO-OP

- 9.1.a. <u>Daily Rate for Discretionary Category I and III Students</u> The ISDs will be billed a daily rate not to exceed the daily rate authorized by the Texas Juvenile Probation Commission for mandatory expulsion students, for each day a "discretionary category I" student, who is expelled pursuant to Texas Education Code Sec. 37.007 (b), (c), (f) or (i), and "discretionary category III" student, who is placed as a publicly registered sex offender pursuant to Texas Education Code Chapter 37 Subchapter I, is in attendance in the JJAEP Co-Op.
- 9.1.b. <u>Daily Rate for Discretionary Category II Students</u> The ISDs will be billed a daily rate based on the actual operational costs as determined by the Travis County Juvenile Board based on the Board's annual audit for each day a "discretionary category II" student who was expelled for <u>a felonyies</u> pursuant to Texas Education Code Section 37.0081 is enrolled in the JJAEP. Audit figures from the most recently finalized audit will be used to set current year actual daily costs. The rate per student per day of enrollment for school year 20121-20132 will be set by the Travis County Juvenile Board at their duly noticed meeting in September, 20121 and notification will be provided to all ISDs under this Agreement.
- 9.2 <u>Rollover Funds</u>- If any portion of the funds paid by the ISDs hereunder remain unused at the end of any school year, such funds shall become rollover funds for the following year, and shall be applied to the cost of funding JJAEP Co-Op operational expenses for the subsequent school year(s).

- 9.3 <u>Maintenance of Depository Account</u> Travis County shall place all funds received hereunder in a fully insured depository account, or other secured account as required by law. Funds received hereunder shall be separately accounted for and may not be budgeted or allocated for any purpose other than the operation of the JJAEP Co-Op. All principal and any interest accruing to the TCJB account from such deposited funds shall be credited to the JJAEP Co-Op and shall be used for the necessary and reasonable expenses of the JJAEP Co-Op and shall not be commingled with the regular operating funds of either the TCJB or Travis County. All rollover funds shall be separately accounted for and used to fund program costs for the subsequent school year.
- 9.4 <u>Accounting</u> Travis County shall provide an accounting to the Participants, on an as-requested basis, of the amounts paid to the TCJB in connection with the JJAEP Co-Op, together with supporting documentation.
- 9.5 <u>Billing</u> Travis County agrees to establish and coordinate billing arrangements with the ISDs with respect to the ISDs' funding obligations, if any, to the JJAEP Co-Op under this Agreement.
- 9.6 <u>Audit</u> At least annually, TravisCounty shall provide an audited accounting to the other Participants of funds received and paid with respect to the JJAEP Co-Op.
- 9.7 <u>Budget</u> The Executive Committee shall provide recommendations to the TCJB on budgetary matters relating to the establishment and operation of the JJAEP Co-Op.

SECTION TEN: SPECIAL SERVICES

- 10.1 The TCJB shall be responsible for any services required to comply with the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. The ISD in which a student resides shall provide and fund related services specified in the Individualized Education Plan to eligible students under the Individuals with Disabilities Education Act.
- 10.2 TCJB and the ISDs shall cooperate in the provision of related services to students placed in the JJAEP Co-Op.
- 10.3 Each ISDs shall provide reasonable notice to the administrator of the JJAEP Co-Op of the ISD's Admission, Review and Dismissal Committee ("ARD") meetings where placement in the JJAEP Co-Op will be considered or when reviewing or modifying the program of a special education student in the JJAEP Co-Op. The ISDs shall be responsible for scheduling and sending notices of ARD meetings during the period of expulsion, and for notifying and inviting JJAEP Co-Op representatives to participate in ARD meetings. For students receiving

services under the Individuals with Disabilities Education Act, the Admission, Review and Dismissal Committee meetings shall satisfy the requirement for ISSP transition team meetings as otherwise required in Section 12.1 herein.

10.4 If, after placement of a discretionary student with disabilities in the JJAEP Co-Op under this Agreement, the administrator of the JJAEP Co-Op has concerns that the student's educational or behavioral needs cannot be met in the JJAEP Co-Op, the administrator (or his/her designee) shall immediately provide written notice to the ISD from which the student was expelled. Upon receipt of such notice, the ISD shall convene an ARD committee meeting to reconsider the placement of the student in the program, giving reasonable advance notice to the administrator of the JJAEP Co-Op. A representative of the JJAEP Co-Op may participate in the ARD committee meeting to the extent that the meeting relates to the student's placement or continued placement in the JJAEP Co-Op.

SECTION ELEVEN: EXPEDITED MAGISTRATE SYSTEM

- 11.1 The expeditious hearing of all cases related to the JJAEP Co-Op by the juvenile court is crucial to the spirit and the letter of the Texas Legislature's changes to both the Education and the Juvenile Justice Codes. Accordingly, the following expedited judicial procedures shall be applied to those cases concerning students expelled from the school setting:
 - A. The juvenile courts shall establish a procedure by which the Gardner-Betts Intake Division shall identify students who are eligible for placement in the JJAEP Co-Op, and notify the District Attorney when it receives a referral for an offense which may result in placement in the JJAEP Co-Op not later than the next working day after the referral is received.
 - B. The ISDs shall make their best efforts to conduct their expulsion hearings no later than seven school days after an offense is reported to the respective school Liaison. If the student is expelled, the ISD will send to the juvenile court, not later than the second working day after the expulsion hearing, the recommendations of the Liaison regarding placement of the student in either the JJAEP Co-Op or a school district program. The Liaison will also forward such academic and behavioral records as it may have legal authority to share with the juvenile court, or in the absence of such authority, shall forward a written report to the juvenile court relating non-confidential information that is relevant to the educational placement of the student.
 - C. Upon receipt of a referral or Preliminary Investigation Report on a student eligible for placement in the JJAEP Co-Op, the District Attorney shall review such referral

- or Preliminary Investigation Report, and shall file a delinquency petition, if appropriate, not later than five working days after receipt of the Preliminary Investigation Report.
- D. The juvenile court hearing on a delinquency petition filed under subsection (C) herein shall be conducted no later than fourteen days after the delinquency petition is filed. It is the intent of the Participants that the term of probation for any student placed in the JJAEP Co-Op will not be shorter than the term of the student's expulsion from school.

SECTION TWELVE: ACADEMIC REVIEW AND TRANSITION

- 12.1 Within a reasonable period of time after admission to the JJAEP Co-Op, each student shall have an Individual Student Services Plan ("ISSP") prepared by the ISSP transition team to meet the student's individual academic needs. The ISSP shall be reviewed periodically, at reasonable intervals, and shall address each student's emotional, social, and educational needs. In the case of a high school student, the ISSP shall contain a review of the student's progress toward meeting high school graduation requirements and shall establish a specific graduation plan for the student. The ISSP shall be designed by the ISSP transition team and any other persons deemed appropriate by the TCJB, and shall require parental participation. For students receiving services under the Individuals with Disabilities Education Act, no ISSP transition team review shall be required under this section.
- 12.2 The TCJB shall provide to the ISDs a summative evaluation of the performance of all students served by the JJAEP Co-Op on an annual basis. Such evaluation shall reflect the academic performance of students served in the JJAEP Co-Op each year, as well as providing follow-up with former students of the JJAEP Co-Op. The ISDs shall assist the JJAEP Co-Op in developing meaningful performance measurement criteria, and in providing follow-up data for former JJAEP Co-Op students who return to the school setting. All Participants shall use their best efforts to work collaboratively to capture meaningful performance data, as well as follow-up information on students returning to the ISDs.
- 12.3 The TCJB will provide the following services to the ISDs for students who are ordered into the regular classroom or school district alternative education program setting as a condition or term of probation:
 - A. Supervision by a certified juvenile probation officer for the remaining period of probation, which will emphasize protection of the community, accountability, and competency building.
 - B. Implementation of the individual student's ISSP transition plan, including wrap-

around services identified in the ISSP transition plan. The transition plan will be developed and agreed to by the student's JJAEP Co-Op transition team. The court-ordered portion of the ISSP transition plan may include, but not be limited to community service, parent classes, counseling, and other appropriate services.

12.4 The ISSP transition team shall formulate a transition plan, specifying any services to be provided upon return to the regular education setting, as part of the ISSP for each student. The ISSP transition plan shall be completed prior to the student's completion of the JJAEP Co-Op placement.

SECTION THIRTEEN: TERM OF AGREEMENT

- 13.1 The initial term of this Agreement shall be for the period from the effective date of this Agreement through August 31, 20132. This Agreement shall be automatically renewed for an additional term of one year on the same terms and conditions, unless one or more of the Participants hereto elects to terminate this Agreement by providing written notice to all other Participants hereto at least sixty (60) days prior to the expiration of the initial term, unless terminated sooner. This Agreement may be extended for additional terms of one year upon the mutual consent of the Participants evidenced by an extension agreement entered into not later than thirty (30) days prior to the termination date of this Agreement, or any extension hereof.
- 13.2 Any provision of the preceding Section 13.1 to the contrary notwithstanding, any ISD may withdraw from this Agreement prior to the expiration of the term hereof by written agreement of the TCJB, or for good cause, at any time. Any ISD withdrawing from this Agreement shall be entitled to recover all funds from the Texas Juvenile Probation Commission to which it is entitled. No ISD withdrawing from this Agreement shall be entitled to receive any portion of the rollover funds, unless this Agreement is terminated by all Participants hereto in its entirety, or this Agreement is terminated by operation of law. In the event this Agreement is terminated in its entirety, any rollover funds remaining shall be distributed to the ISDs, pro-rata, based upon the number of students served by the ISD residing in Travis County.
- 13.3 In the event of termination by any Participant, the Agreement will remain in force and effect with respect to the remaining Participants, unless such termination frustrates the overall purposes and intent of this Agreement.

SECTION FOURTEEN: MISCELLANEOUS

14.1 <u>Records and Reporting Requirements</u> - Throughout the term of this Agreement, the Participants hereto agree to establish and maintain detailed records regarding the administration and operation of the school alternative education program and JJAEP Co-Op,

including information regarding the costs of such programs, including facilities, staffing and administrative expenses.

- 14.2 <u>Legal Requirements</u> The Participants agree to comply fully with all applicable federal, state, and local statutes, ordinances, rules, and regulations in connection with the programs contemplated under this Agreement. In the event that any of the Participants hereto are required by law or regulation to perform any act inconsistent with this Agreement, or to cease performing any act required by this Agreement, this Agreement shall be deemed to have been modified to conform with the requirements of such law or regulation.
- 14.3 <u>Notice</u> Except where oral notice is specifically allowed or required under this Agreement, any notice provided hereunder by any party to another shall be in writing and may be either (1) delivered by hand to the party or the party's designated agent; (2) deposited in the United States mail, postage paid; (3) transmitted by telecopy; (4) transmitted by electronic mail transmission, or (5) delivered by a reputable courier service, to the following address or telecopy number:

PROPOSED REVISIONS

CLASS RANK

Class ranking shall be determined by averaging all semester grades earned in grades 9–12, with the exceptions noted below, through the third nine-week grading period of the senior year.

Courses taken in middle school for state graduation credit shall also be used for class rank calculation. The grade point average (GPA) shall be rounded to the nearest thousandth. Grades transferred from other schools shall be credited in conformity with the course descriptions approved for the established grading system.

EXCEPTIONS

Grades earned in band, physical education, athletics, any academic course substituted for physical education, any type of student aide elective, a pass/fail course, or any local credit course shall not be used for class rank purposes. Grades earned through credit by examination, distance learningcorrespondence—courses, summer school, or from nonaccredited schools shall not be used to calculate class rank. Dual credit courses shall also not be considered when calculating a student's rank in class.

LOCAL GRADUATION HONORS

For the purpose of determining honors to be conferred during graduation activities, the District shall calculate class rank using grades available at the time of calculation at the end of the third nine-week grading period of the senior year. The grade for the third nine-week grading period shall be used as the semester grade for this purpose.

For the purpose of applications to institutions of higher education, the District shall also calculate class ranking as required by state law. The District's eligibility criteria for local graduation honors shall apply only for local recognitions and shall not restrict class ranking for the purpose of automatic admission under state law. [See EIC(LEGAL)]

VALEDICTORIAN AND SALUTATORIAN The valedictorian and salutatorian shall be the eligible students with the highest and second highest ranking as determined by the District's class ranking procedure described in this policy and who complete the Recommended Program or the Advanced/Distinguished Achievement Program. To be eligible, a student must also have been continuously enrolled in the District high school for the three semesters preceding graduation.

BREAKING A TIE

In cases of a tie in weighted grade point averages among the top two academically ranked students, the following methods shall be used to determine who shall be recognized as valedictorian:

1. The weighted GPA shall be computed to a sufficient number of decimal places until the tie is broken:

EIC (LOCAL)

- If a tie remains, the District shall compare the scores on college entrance examinations, provided the students have taken the same examinations;
- If a tie remains, the District shall recognize the student who completed the most dual credit and Advanced Placement (AP) courses; and
- If a tie remains, the student with the highest numerical grade average of all dual credit and AP courses taken shall be declared the valedictorian.

If a tie develops for salutatorian, all students who tie shall be recognized.

CONDUCT

To qualify to give the valedictorian or salutatorian speech, a student shall not have engaged in any serious misconduct violation of the Student Code of Conduct, including removal to a DAEP, a three-day suspension, or expulsion during his or her last two semesters.

HONOR CERTIFICATE

For purposes of the honor graduate certificate, the District-declared valedictorian shall be considered the highest-ranking graduate.

EARLY GRADUATES

To be eligible to graduate early, a student shall complete all coursework and exit-level testing required of the ninth grade class in which he or she begins high school.

A student who completes the high school program requirements in fewer than four years shall be ranked in the class with which he or she actually graduates.

Early graduates shall not be eligible for valedictorian or salutatorian honors.

TRANSFER CREDIT

A student who transfers into the District high school shall receive similar credits counted toward the GPA according to the list of courses offered in the District and the grade point scale used for credit earned in the District.

Students transferring into the District shall receive the numerical grade that was earned in courses at another school. Letter grades shall be recorded as follows:

Convers	ion Scale
A+	98
Α	95
A-	92

LVISD Student Code of Conduct

See email from COC developers:

As you may recall, one of the major revisions to this year's Student Code of Conduct was based on the limitations of House Bill 968 which took away a school district's discretion to expel a student from DAEP for engaging in "serious or persistent misbehavior," and limited it to "serious misbehavior" as narrowly defined by statute. The 2012-13 Walsh Anderson Code of Conduct you received incorporated these changes, including the new definition of serious misbehavior. Notably, drug offenses and other common and significant student misbehaviors are not included in the Education Code's new definition.

Despite this Legislative change, Education Code § 37.009(c) continues to allow a student to be placed in DAEP beyond the end of the school year if the student engaged in "serious or persistent misbehavior" that violates the Code of Conduct. Unlike House Bill 968, this section of the Education Code does not define "serious or persistent misbehavior." Thus, school districts are able to define the term in a way that allows them to continue to place students in DAEP beyond the end of the school year for significant misbehaviors like drug offenses or possession of weapons.

In working through the Code of Conduct with a client, we came to realize that some parents may try to argue that the new definition of "serious misbehavior" added by House Bill 968 also limits the ability to place a student in DAEP beyond the end of the school year.

Following changes in red were recommended:

Students placed in DAEP at the end of one school year may be required to complete the assigned term at the beginning of the next school year. For DAEP placement to extend beyond the end of the school year, the administrator must determine that: (1) the student's presence in the regular classroom or campus presents a danger of physical harm to the student or others; or (2) the student has engaged in serious or persistent misbehavior that violates the SCC. For purposes of this section only, "serious or persistent misbehavior" means any misconduct identified as being punishable with placement in DAEP or expulsion or three or more violations of the SCC or repeated occurrences of the same violation. Changes reflected on page 20.

Other changes:

Page 18 under Regardless of Location – added verbiage about registered sex offender. This is in line with current board policy. If board policy is changed, this section would change as well.

Page 25 Reasons for Discretionary Expulsion: At School: new verbiage as referred to in email above.

Robert Gadbois, Highlights – dialogue with Civil & Geotechnical engineers. Looking at revising his recommendation to use on-site materials. Series of meetings with city have ended up in a good place where we have deleted almost a mile of utility lines

One item on budget – water tower – sharp reduction in civil engineering fees (contribution to off-site water and sewer)

Further discussion of interlocal agreement with City of Lago Vista- Mr. Mark Abbott suggested a reduced water consumption fee in lieu of payback option.

5. Energy Performance Contract

Way Company reps were in attendance to answer questions about the proposed contract. Let board know there were a few pieces of information still needed to massage the contract - as far as total actual maintenance cost. We are in a high end as far as energy consumption, we are running about \$1.65S; their target is \$0.90–\$1.10 SF. Majority of savings will be in lighting. One small issue, if we are going to put some new controls here, why don't we bid the controls with the high school and middle school

6. Cafeteria Contract

Aramark has put forth a contract with a surplus of \$25,372; Sodexo offered break-even contract.
