

SENIORS!

LET'S PAINT!

Show your **VIKING SPIRIT** while reserving your student parking spot!

During school hours only, of course!

- Cost: \$50
- Proceeds will fund PROM 2022
- See attached parameters, contract and template for approval
- Contact Mrs. Robinson for questions:
jami_robinson@lagovista.txed.net

PAINTED PARKING SPOT RULES/LVHS 2021-22

- Seniors are permitted to choose a student parking space and paint within a pre-marked area measuring 7 feet by 10 feet which will “reserve” the space for that student during school hours only.
- Students are painting school property and must do so with a VIKING SPIRIT theme, which can be individualized to each student.
- The exact design and colors to be used must be submitted for approval by administration on the attached template.
- This is not a social media platform, it is a voluntary privilege offered by LVISD. Controversial and inappropriate material will not be approved.
- Students will choose an available parking space when payment is received on a first come/first serve basis.
- Parking spaces may be painted at designated times (TBD) once design is approved.
- Students are required to purchase a parking permit from LVHS separately.
- WATER BASED EXTERIOR LATEX PAINT must be used (not spray, not reflective).

PAINTED PARKING SPOT CONTRACT/TEMPLATE 2021-22

I understand that the student parking spot that I paint is the property of Lago Vista Independent School District and must be completed in a Viking Spirit theme without including inappropriate or controversial material. I understand that the template I submit on this paper (back) must be the exact image/colors I paint on LVISD property. I understand that I will only be allowed to paint once my design has been approved. I understand that if I paint something that has not been approved that it will be painted over with gray paint immediately and I will not have the opportunity to reserve a parking spot in this manner.

Student Name: _____

Student Signature: _____

Student Email: _____

Student Cell #: _____

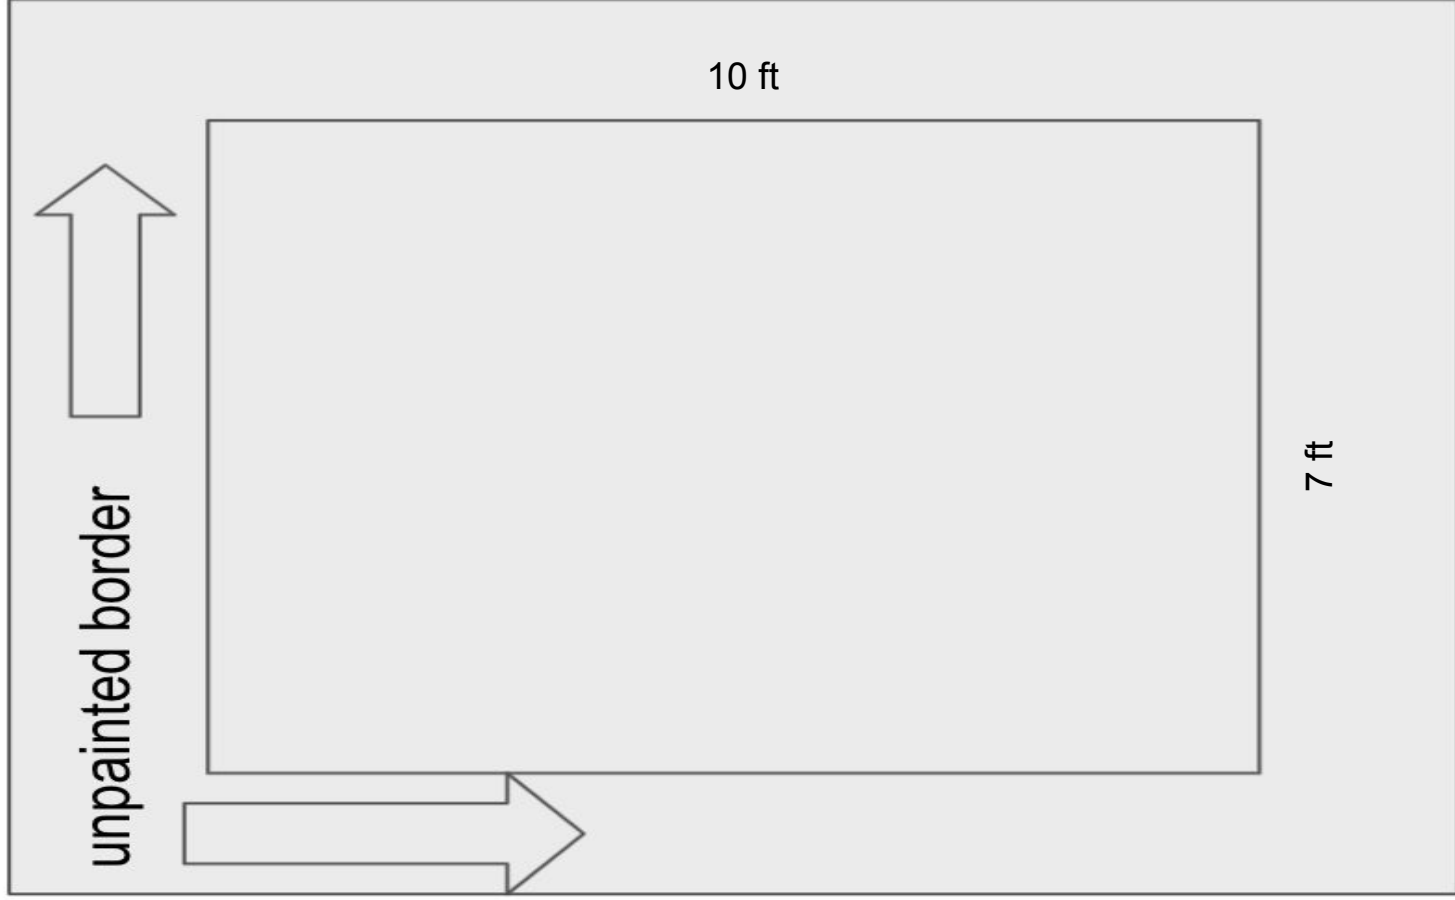

Parking Space Assigned: _____

Administrator Approval: _____

Date: _____

Painted Parking Spot Template:

Students must submit an exact copy of what will be painted for approval. Painting can only occur within the border measuring 7x10 feet. No painting can occur in the unpainted border section.

Tips for Painting

- Bring a broom or brush to clean your space before painting
- A white primer base coat is suggested to make colors pop and to ensure the paint will last.
- Use only WATER BASED or ACRYLIC paint. NO spray paint, oil-based enamels, oil-based primers, or chalk paint can be used in or on the LVHS campus.
- Painter's tape has been applied to define the borders. You can only paint INSIDE the taped area.
- If ordering stencil, be sure they are parking lot or pavement compatible.
- You must bring your own supplies--you can share them with a friend though!
- Rollers with long pole handles are best for applying a base coat of large areas of solid paint.
- Bring extra water, towels and paper towels to clean up your area after painting.
- You can use a stadium chair, knee pads or a stool to keep comfortable while on the pavement.
- Your parking space and the area around it must be clean with all trash/painting debris removed once your work is done!
- Enjoy your personalized parking spot! All of the students, staff, parents and visitors will enjoy seeing your VIKING SPIRIT and creativity!
