Student Code of Conduct

Accessibility

If you have difficulty accessing the information in this document because of disability, please contact Holly Jackson at (512) 267-8300.

Purpose

The Student Code of Conduct (“Code of Conduct”), as required by Chapter 37 of the Texas Education Code, provides methods and options for managing student behavior, preventing and intervening in student discipline problems, and imposing discipline.

The law requires the district to define misconduct that may—or must—result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, placement in a disciplinary alternative education program (DAEP), placement in a juvenile justice alternative education program (JJAEP) or expulsion from school.

This Code of Conduct has been adopted by the Lago Vista ISD Board of Trustees and developed with the advice of the district-level planning and decision-making committee. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code of Conduct remains in effect during summer school and at all school-related events and activities outside the school year until the board adopts an updated version for the next school year.

In accordance with state law, the Code shall be posted at each school campus or shall be available for review at the campus principal’s office. Additionally, the Code of Conduct shall be available at the campus behavior coordinator’s office and posted on the District’s website. Parents shall be notified of any conduct violation that may result in a student being suspended, placed in a DAEP or JJAEP, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code.

Not later than the first day of the 2025-2026 school year, the Texas Education Agency (TEA) shall prepare and provide to each school district a report identifying each law relating to school discipline that was amended or added by the 89th Legislature, Regular Session, 2025. A school district shall provide to each student and the parent of or person standing in parental relation to the student the prepared report.

Because the Code of Conduct is adopted by the District’s Board of Trustees, it has the force of policy. In the event of a conflict between the Code of Conduct and the Student Handbook, the Code of Conduct shall prevail.

Please Note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

School District Authority and Jurisdiction

School rules and the authority of the district to administer discipline apply whenever the interest of the District is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities.

The District has disciplinary authority over a student:

1. During the regular school day;
2. While the student is traveling on district transportation;
3. During lunch periods in which a student is allowed to leave campus;
4. At any school-related activity, regardless of time or location;
5. For any school-related misconduct, regardless of time or location;
6. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
7. When a student engages in cyberbullying, as provided by Education Code 37.0832;
8. When criminal mischief is committed on or off school property or at a school-related event;
9. For certain offenses committed within 300 feet of school property as measured from any point on the school's real property boundary line;
10. For certain offenses committed while on school property or while attending a school sponsored or school-related activity of another district in Texas;
11. When the student commits a felony, as provided by Education Code 37.006 or 37.0081; and
12. When the student is required to register as a sex offender.

School administrators shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

The District has the right to revoke the transfer of a nonresident student for violating the District's Code of Conduct. In addition, the District also has a process for revoking in-District transfers (see campus administrator for details).

Expectations for Reporting Offenses

The safety of students is a high priority and goal for the District. All stakeholders (staff, students, parents and community members) have an obligation to assist the District in creating and maintaining a safe and orderly environment free of bullying, teasing, harassment, violence, weapons, etc. We appreciate all help and support in assisting the District to reach this goal.

Anytime someone has information about a student in Lago Vista ISD that is experiencing any form of mistreatment or about any potential danger to any student or staff member of the school, the expectation is for the information to be reported directly to campus or District administration.

Campus Behavior Coordinator

As required by law, a single person at each campus must be designated to serve as the campus behavior coordinator. The designated person on each campus is the principal, or any other campus administrator selected by the principal. Additional staff members may assist the campus

behavior coordinator in the performance of the campus behavior coordinator's duties, provided that the campus behavior coordinator personally verifies that all aspects of Chapter 37, Subchapter A are appropriately implemented. The campus behavior coordinator is primarily responsible for maintaining student discipline. The campus behavior coordinator shall monitor disciplinary referrals and report the following behavior to the campus's threat assessment and safe and supportive school team:

- Conduct that contains the elements of the offense of terroristic threat under Penal Code 22.07;
- Conduct that contains the elements of the offense of unlawfully carrying weapons under Penal Code 46.02;
- Conduct that contains the elements of the offense of exhibiting, using, or threatening to exhibit or use a firearm under Education Code 37.125; and
- Any concerning student behaviors or behavioral trends that may pose a serious risk of violence to the student or others.

The District shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator. Contact information may be found at www.lagovistaisd.net and in the Lago Vista ISD Student Handbook, which is located on the District's website.

Threat Assessment and Safe and Supportive School Team

The campus behavior coordinator or other appropriate administrator will work closely with the campus threat assessment safe and supportive school team to implement the district's threat assessment policy and procedures, as required by law, and shall take appropriate disciplinary action in accordance with the Code of Conduct.

Searches

District officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and District policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner. Refer to the District's policies at FNF(LEGAL) and FNF(LOCAL) for more information regarding investigations and searches.

The District has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by the District.

Desks, lockers, district-provided technology, and similar items are the property of the District and are provided for student use as a matter of convenience. District property is subject to search or inspection at any time without notice.

Reporting Crimes

The principal or campus behavior coordinator and other school administrators as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

Security Personnel

The Board utilizes school resource officers (SROs) and/or security personnel to ensure the security and protection of students, staff, and property. In accordance with law, the board has coordinated with the campus behavior coordinator and other district employees to ensure

appropriate law enforcement duties are assigned to these persons. Provisions addressing the various types of security personnel can be found in the CKE policy series.

Per law, the Board has coordinated with the campus behavior coordinator and other District employees to ensure appropriate law enforcement duties are assigned to these persons. Provisions addressing the various types of security personnel can be found in the CKE policy series. The law enforcement duties of security personnel are to implement the District's comprehensive safety programs. All security personnel shall receive at least the minimum amount of education and training required by law.

Parent Defined

Throughout the Code of Conduct and related discipline policies, the term "parent" includes a parent, legal guardian, or other person having lawful control of the child.

Participating in Graduation Activities

The District has the right to limit a student's participation in graduation activities for violating the District's Code of Conduct.

Participation might include a speaking role, as established by District policy and procedures.

Students eligible to give the opening and closing remarks at graduation shall be notified by the campus principal. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give the opening or closing remarks, a student shall not have engaged in any misconduct in violation of the District's Code resulting in a three-day out-of-school suspension, removal to a DAEP, or expulsion during the semester during the last two semesters preceding graduation.

The valedictorian and salutatorian may also give honors addresses at graduation. Notwithstanding any other eligibility requirements, in order to be considered as an eligible student to give an honors address, a student shall not have engaged in any misconduct in violation of the District's Code resulting in a three-day out-of-school suspension, removal to a DAEP, or expulsion during the last two semesters preceding graduation.

No student shall be eligible to have such a speaking role if he or she engaged in any misconduct in violation of the District's Code resulting in an out-of-school suspension, removal to a DAEP, or expulsion during the two semesters immediately preceding graduation.

See **DAEP—Restrictions During Placement** for information regarding a student assigned to DAEP at the time of graduation.

Unauthorized Persons

In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or district police officer shall have the authority to refuse entry or eject a person from District property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or

2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from District property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. - School-assessed and school-administered probation.
- Corporal punishment, unless the student's parent or guardian has provided a signed statement prohibiting its use.
- In-school suspension, as specified in **In-School Suspension**.
- Out-of-school suspension, as specified in the **Out-of-School Suspension** section of this Code.
- Placement in a DAEP, as specified in **Disciplinary Alternative Education Program (DAEP) Placement**.
- Expulsion and/or placement in an alternative educational setting, as specified in **Placement and/or Expulsion for Certain Offenses**.
- Expulsion, as specified **Expulsion**.
- Referral to an outside agency or legal authority for criminal prosecution in addition to disciplinary measures imposed by the District.
- Other strategies and consequences as determined by school officials.

Prohibited Aversive Techniques

Aversive techniques are prohibited for use with students and are defined as techniques or interventions intended to reduce the reoccurrence of a behavior by intentionally inflicting significant physical or emotional discomfort or pain. Aversive techniques include:

- Using techniques designed or likely to cause physical pain, other than corporal punishment as permitted by District policy. [See policy FO(LOCAL).]
- Using techniques designed or likely to cause physical pain by electric shock or any procedure involving pressure points or joint locks.
- Directed release of noxious, toxic, or unpleasant spray, mist, or substance near a student's face.

- Denying adequate sleep, air, food, water, shelter, bedding, physical comfort, supervision, or access to a restroom facility.
- Ridiculing or demeaning a student in a manner that adversely affects or endangers the learning or mental health of the student or constitutes verbal abuse.
- Employing a device, material, or object that immobilizes all four of a student's extremities, including prone or supine floor restraint.
- Impairing the student's breathing, including applying pressure to the student's torso or neck or placing something in, on, or over the student's mouth or nose or covering the student's face.
- Restricting the student's circulation.
- Securing the student to a stationary object while the student is standing or sitting.
- Inhibiting, reducing, or hindering the student's ability to communicate.
- Using chemical restraints.
- Using time-out in a manner that prevents the student from being able to be involved in and progress appropriately in the required curriculum or any applicable individualized education program (IEP) goals, including isolating the student by the use of physical barriers.
- Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

Notification

The campus behavior coordinator shall promptly notify a student's parent by phone or in person of any violation that may result in in-school or out-of-school suspension, placement in a DAEP, placement in a JJAEP, or expulsion. The campus behavior coordinator shall also notify a student's parent if a law enforcement officer under the disciplinary provisions of the Education Code takes the student into custody.

A good faith effort shall be made on the day the action was taken to provide to the student for delivery to the student's parent written notification of the disciplinary action. If the parent has not been reached by telephone or in person by 5:00pm of the first business day after the day the disciplinary action was taken, the campus behavior coordinator shall send written notification by U.S. Mail. If the campus behavior coordinator is not able to provide notice to the parent, the principal or designee shall provide the notice.

Before the principal or appropriate administrator assigns a student under age 18 to detention outside regular school hours, notice shall be given to the student's parent to inform him or her of the reason for the detention and permit arrangements for necessary transportation.

Parental Involvement

The principal, campus behavior coordinator, or other appropriate administrator shall notify the parent of or person standing in parental relation to a student who has been placed in a disciplinary alternative education program (DAEP) or expelled of the parent's or person's right to request a behavioral agreement that specifies the responsibilities of the parent or person and student.

The behavioral agreement must specify the responsibilities of the student and parent/guardian. If followed, the agreement may result in a reduced disciplinary placement period, as outlined in the agreement. Reduction in the disciplinary placement period does not entitle the student to different disciplinary placement. The decision to reduce, revoke, or amend the disciplinary placement period is at the sole discretion of the school administration. Compliance with the agreement is required for the reduction to remain valid.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the teacher or campus administration, or campus behavior coordinator, as appropriate. Appeals or complaints regarding the use of specific discipline management techniques should be addressed in accordance with policy FNG(LOCAL). A copy of the policy may be obtained from the principal's office, the campus behavior coordinator's office, the District administration office, or through Policy On Line at the following address: <http://www.lagovistaisd.net>.

The District shall not delay a disciplinary consequence while a student or parent pursues a grievance. In the instance of a student who is accused of conduct that meets the definition of sexual harassment as defined by Title IX, the district will comply with applicable federal law, including the Title IX formal complaint process. See policies FFH(LEGAL) and (LOCAL).

Removal from the School Bus

A bus driver may refer a student to the principal's office or the campus behavior coordinator's office to maintain effective discipline on the bus. The principal or campus behavior coordinator must employ additional discipline management techniques, as appropriate, which can include restricting or revoking a student's bus riding privileges.

To transport students safely, the vehicle operator must focus on driving and not be distracted by student misbehavior. Therefore, when appropriate disciplinary management techniques fail to improve student behavior or when specific misconduct warrants immediate removal, the principal or the campus behavior coordinator may restrict or revoke a student's transportation privileges, in accordance with law.

Removal from the Regular Educational Setting

In addition to other discipline management techniques, misconduct may result in removal from the regular educational setting in the form of a routine referral or a formal removal.

Routine Referral

A routine referral occurs when a teacher sends a student to the campus behavior coordinator's office as a discipline management technique. The campus behavior coordinator shall employ alternative discipline management techniques, including progressive interventions. A teacher or administrator may remove a student from class for a behavior that violates this Code of Conduct to maintain effective discipline in the classroom. Persistent misconduct may result in placement in DAEP if documented misconduct continues.

Formal Teacher Removal

A teacher may also initiate a formal removal from class if:

1. A student's behavior repeatedly interferes with the teacher's ability to teach his or her class or with the student's classmates' ability to learn.
2. A student demonstrates behavior that is unruly, disruptive, or abusive toward the teacher, another adult, or another student in the classroom.
3. A student engages in conduct that constitutes bullying, as defined by Education Code 37.0832.

A teacher, campus behavior coordinator, or other appropriate administrator must notify a parent or person standing in parental relation to the student of the formal removal. A teacher may remove a student from class based on a single incident of behavior.

Within three school days of the formal removal, the campus behavior coordinator or appropriate administrator shall schedule a conference with the student's parent, the student, the teacher, and any other appropriate administrator.

At the conference, the campus behavior coordinator or appropriate administrator shall inform the student of the alleged misconduct and the proposed consequences. The student shall have an opportunity to respond to the allegations.

When a student is removed from the regular classroom by a teacher and a conference is pending, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

A teacher or administrator must remove a student from class if the student engages in behavior that under the Education Code requires or permits the student to be placed in a DAEP or expelled. When removing for those reasons, the procedures in the subsequent sections on DAEP or expulsion shall be followed.

Returning Student to Classroom

A student who has been formally removed from class by a teacher for conduct against the teacher containing the elements of assault, aggravated assault, sexual assault, or aggravated sexual assault may not be returned to the teacher's class without the teacher's written consent.

A student who has been formally removed by a teacher for any other conduct may not be returned to the teacher's class without the teacher's written consent unless the placement review committee determines that the teacher's class is the best or only alternative, and not later than the third class day after the day the student was removed from class, a conference in which the teacher was provided an opportunity to participate has been held. The student may not be returned to the teacher's class unless the teacher provides written consent for the student's return or a return to class plan has been prepared for that student.

Appeals of Formal Teacher Removals

A teacher's removal of a student may be made in accordance with District policy.

In-School Suspension

An in-school suspension is not subject to any time limit.

A school's principal or other appropriate administrator shall review the in-school suspension of a student at least once every 10 school days after the date of the suspension begins to evaluate the educational progress of the student and to determine if continued in-school suspension is appropriate.

During in-school suspension, a student shall receive appropriate behavioral support services and comparable educational services as the student would receive in the classroom. If the student receives special education services, the student must continue to receive special education and related services specified in the student's individualized education program (IEP) and continue to have an opportunity to progress in the general curriculum.

[See **First-Time Offense of Possession or Use of Nicotine Delivery Product or E-Cigarette** for limitations to the general rule.]

Process

Before being suspended, a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall inform the student of the alleged misconduct and give the student an opportunity to respond to the allegation before the administrator makes a decision.

The campus behavior coordinator shall determine the number of days of a student's suspension.

In deciding whether to order in-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense [see **Glossary**];
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Out-of-School Suspension

Misconduct

Students may be suspended for any behavior listed in the Code of Conduct as a general conduct violation, DAEP offense, or expellable offense.

The District shall not use out-of-school suspension for students below grade 3 unless the conduct meets the requirements established in law.

A student below grade 3 or who is homeless under the McKinney-Vento Homeless Assistance Act shall not be placed in out-of-school suspension unless, while on school property or while

attending a school-sponsored or school-related activity on or off school property, the student engages in:

- Conduct that contains the elements of a weapons offense, as provided in Penal Code Section 46.02 or 46.05;
- Conduct that threatens the immediate health and safety of other students in the classroom;
- Documented conduct that results in repeated or significant disruption to the classroom; or
- Selling, giving, or delivering to another person or possessing, using, or being under the influence of any amount of marijuana, an alcoholic beverage, or a controlled substance or dangerous drug as defined by federal or state law.

The District shall use a positive behavior program as a disciplinary alternative for students below grade 3 who commit general conduct violations instead of suspension or placement in a DAEP. The program shall meet the requirements of law.

Process

State law allows a student to be assigned to out-of-school suspension for no more than three school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year.

Before being suspended a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall advise the student of the alleged misconduct. The student shall have the opportunity to respond to the allegation before the administrator makes a decision.

The campus behavior coordinator shall determine the number of days of a student's suspension, not to exceed three school days.

In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**);
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless under the McKinney-Vento Homeless Assistance Act.

The appropriate administrator shall determine any restrictions on participation in school-sponsored or school-related extracurricular and cocurricular activities.

Alternative Assignment

A parent or person standing in parental relation to the student may submit a written request to the principal or other appropriate administrator to reassign a student placed in out-of-school suspension. The parent or person standing in parental relation to the student must provide information and documentation that they are unable to provide suitable supervision for the student during school hours during the period of the suspension. It is the sole discretion of the

principal or other appropriate administrator to reassign the student placed in out-of-school suspension.

Coursework During Suspension

The District shall ensure a student receives access to coursework for foundation curriculum courses while the student is placed in in-school or out-of-school suspension, including at least one method of receiving this coursework that doesn't require the use of the Internet.

A student removed from the regular classroom to in-school suspension or another setting, other than a DAEP, will have an opportunity to complete before the beginning of the next school year each course the student was enrolled in at the time of removal from the regular classroom. The District may provide the opportunity by any method available, including a correspondence course, another distance learning option, or summer school. The District will not charge the student for any method of completion provided by the District.

Disciplinary Alternative Education Program (DAEP) Placement

The DAEP shall be provided in a setting other than the student's regular classroom. An elementary school student may not be placed in a DAEP with a student who is not an elementary school student.

For purposes of DAEP, elementary classification shall be kindergarten–grade 5 and secondary classification shall be grades 6–12.

Summer programs provided by the District shall serve students assigned to a DAEP in conjunction with other students.

A student who is expelled for an offense that otherwise would have resulted in a DAEP placement does not have to be placed in a DAEP in addition to the expulsion.

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary);
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless under the McKinney-Vento Homeless Assistance Act.

Discretionary Placement: Misconduct That May Result in DAEP Placement

A student may be placed in a DAEP for the following conduct violations:

- Possessing or using a look-alike weapon.
- Possessing or using an air gun or BB gun.
- Possessing or using a razor, box cutter, pocketknife, chain, or smaller knife (with a blade of less than 5 1/2 inches).

- Possessing or using various other dangerous objects.
- Fighting or scuffling.
- Threats against students, staff, or school property.
- Court order to register as a sex offender - not under court supervision.
- Inappropriate exposure of body parts.
- Sexual harassment or sexual abuse.
- Inappropriate sexual conduct toward a student or employee.
- Committing an off-campus non-violent felony, with special findings by superintendent or designee [see TEC 37.006(d)].
- Possessing or using tobacco products or e-cigarettes, including any component, part, or accessory for the e-cigarette.
- Possessing, selling, giving, or using drug paraphernalia.
- Possessing or selling seeds or pieces of marijuana in less than a usable amount.
- Possessing, selling, or using look-alike drugs or items attempted to be passed off as drugs.
- Improper use, possession, or being under the influence of prescription drugs.
- Improper use or being under the influence of over-the-counter drugs.
- Sending, posting, or possessing electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another's reputation, or illegal, including cyberbullying and "sexting", either on or off school property, if the conduct causes a substantial disruption to the educational environment.
- Stealing.
- Directing profanity or obscene gestures at students or staff.
- Hazing.
- Other behaviors prohibited in the General Conduct Violations section of this Code.

Misconduct Identified in State Law

In accordance with state law, a student may be placed in a DAEP for any one of the following offenses:

- Engaging in bullying that encourages a student to die by suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.
- Involvement in a public school fraternity, sorority, or secret society, including participating as a member or pledge, or soliciting another person to become a pledge or member of a public school fraternity, sorority, secret society, or gang. [See **Glossary**.]

- Possesses or uses an e-cigarette, as defined by Section 161.081, Health and Safety Code, except that if a student who possesses or uses an e-cigarette is not placed in a disciplinary alternative education program for the first-time offense under Education Code 37.008, the student shall be placed in in-school suspension for a period of at least 10 school days. See **First-Time Offense of Possession or Use of Nicotine Delivery Product or E-Cigarette** for additional information.

In accordance with state law, a student **may** be placed in a DAEP if the superintendent or the superintendent's designee has reasonable belief [see **Glossary**] that the student has engaged in conduct punishable as a felony, that occurs off school property and not at a school-sponsored or school-related event, if the student's presence in the regular classroom threatens the safety of other students or teachers or will be detrimental to the educational process. Aggravated robbery or felonies listed as offenses in Title 5 [see **Glossary**] of the Penal Code are punishable as mandatory expulsions.

The campus behavior coordinator **may**, but is not required to, place a student in a DAEP for off-campus conduct for which DAEP placement is required by state law if the administrator does not have knowledge of the conduct before the first anniversary of the date the conduct occurred.

Mandatory Placement: Misconduct That Requires DAEP Placement

A student **must** be placed in a DAEP if the student:

- Engages in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school. [See **Glossary**.]
- Commits the following offenses on school property or within 300 feet of school property as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:
 - o Engages in conduct punishable as a felony.
 - o Commits an assault [see **Glossary**] under Penal Code 22.01(a)(1).
 - o Except as provided by Education Code 37.007(a)(3), sells, gives, or delivers to another person, or possesses, uses, or is under the influence of a controlled substance or a dangerous drug in an amount not constituting a felony offense. [School-related felony drug offenses are listed in **Expulsion**.] [See glossary for "under the influence", "controlled substance", and "dangerous drug".]
 - o Sells, gives, or delivers to another person or possesses, uses, or is under the influence of marijuana or THC. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision.

- Sells, gives, or delivers to another person an alcoholic beverage; commits a serious act or offense while under the influence of alcohol; or possesses, uses, or is under the influence of alcohol.
- Behaves in a manner that contains the elements of an offense relating to abusable volatile chemicals.
- Sells, gives, or delivers to another person an e-cigarette, as defined by Section 161.081, Health and Safety Code.
- Behaves in a manner that contains the elements of the offense of public lewdness or indecent exposure. [See **Glossary**.]

 1. A felony offense under Title 5;
 2. The offense of deadly conduct under Section 22.05;
 3. The felony offense of aggravated robbery under Section 29.03;
 4. The offense of disorderly conduct involving a firearm under Section 42.01(a)(7) or (8); or
 5. The offense of unlawfully carrying weapons under Section 46.02, except for an offense punishable as a Class C misdemeanor under that section.

Sexual Assault and Campus Assignments

A student shall be transferred to another campus if:

- The student has been convicted of continuous sexual abuse of a young child or disabled individual or convicted of or placed on deferred adjudication for sexual assault or aggravated sexual assault against another student on the same campus; and
- The victim's parent or another person with the authority to act on behalf of the victim requests that the board transfer the offending student to another campus.

If there is no other campus in the District serving the grade level of the offending student, the offending student shall be transferred to a DAEP.

Process

Removals to a DAEP shall be made by the campus behavior coordinator.

Conference

When a student is removed from class for a DAEP offense, the campus behavior coordinator or appropriate administrator shall schedule a conference within three school days with the student's parent, the student, and the teacher, in the case of a teacher removal.

At the conference, the campus behavior coordinator or appropriate administrator shall provide the student:

- Information, orally or in writing, of the reasons for the removal;
- An explanation of the basis for the removal; and
- An opportunity to respond to the reasons for the removal.

Following valid attempts to require attendance, the District may hold the conference and make a placement decision regardless of whether the student or the student's parents attend the conference.

Consideration of Mitigating Factors

In deciding whether to place a student in a DAEP, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense [see **Glossary**];
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless under the McKinney-Vento Homeless Assistance Act.

Placement Order

After the conference, if the student is placed in the DAEP, the campus behavior coordinator shall write a placement order. A copy of the DAEP placement order and information for the parent or person standing in parental relation to the student regarding the process for requesting a full individual and initial evaluation of the student for purposes of special education services shall be sent to the student and the student's parent.

Not later than the second business day after the conference, the board's designee shall deliver to the juvenile court a copy of the placement order and all information required by Section 52.04 of the Family Code.

If the student is placed in the DAEP and the length of placement is inconsistent with the guidelines included in this Code of Conduct, the placement order shall give notice of the inconsistency.

DAEP at Capacity

If a DAEP is at capacity at the time the campus behavior coordinator is deciding placement for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical, the student shall be placed in ISS then transferred to a DAEP for the remainder of the period if space becomes available before the expiration of the period of the placement.

If a DAEP is at capacity at the time the campus behavior coordinator is deciding placement for a student who engaged in violent conduct, a student placed in a DAEP for conduct related to marijuana, THC, an e-cigarette, alcohol, or an abusable volatile chemical may be placed in ISS to make a position in the DAEP available for the student who engaged in violent conduct. If a position becomes available in a DAEP before the expiration of the period of the placement for the student removed, the student shall be returned to a DAEP for the remainder of the period.

Coursework Notice

The parent or guardian of a student placed in DAEP shall be given written notice of the student's opportunity to complete a foundation curriculum course in which the student was enrolled at the time of removal and which is required for graduation, at no cost to the student. The notice shall include information regarding all methods available for completing the coursework.

Length of Placement

The campus behavior coordinator shall determine the duration of a student's placement in a DAEP.

The duration of a student's placement shall be determined case-by-case based on the seriousness of the offense, the student's age and grade level, the frequency of misconduct, the student's attitude, and statutory requirements.

The maximum period of DAEP placement shall be one calendar year except as provided below.

Unless otherwise specified in the placement order, days absent from a DAEP shall not count toward fulfilling the total number of days required in a student's DAEP placement order.

The District shall administer the required pre- and post-assessments for students assigned to DAEP for a period of 90 days or longer in accordance with established district administrative procedures for administering other diagnostic or benchmark assessments.

Exceeds One Year

Placement in a DAEP may exceed one year when a review by the District determines that the student is a threat to the safety of other students or to District employees.

The statutory limitations on the length of a DAEP placement do not apply to a placement resulting from the board's decision to place a student who engaged in the sexual assault of another student so that the students are not assigned to the same campus.

Exceeds School Year

Students who commit offenses requiring placement in a DAEP at the end of one school year may be required to continue that placement at the start of the next school year to complete the assigned term of placement.

For placement in a DAEP to extend beyond the end of the school year, the campus behavior coordinator or the board's designee must determine that:

1. The student's presence in the regular classroom or campus presents a danger of physical harm to the student or others, or
2. The student has engaged in serious or persistent misbehavior (see glossary) that violates the District's Code of Conduct.

Exceeds 60 Days

For placement in a DAEP to extend beyond 60 days or the end of the next grading period, whichever is sooner, a student's parent shall be given notice and the opportunity to participate in a proceeding before the board or the board's designee.

Appeals

Questions from parents regarding disciplinary measures should be addressed to the campus administration.

Student or parent appeals regarding a student's placement in a DAEP should be addressed in accordance with policy FNG(LOCAL). A copy of this policy may be obtained from the principal's office, the campus behavior coordinator's office, the central administration office, or through Policy On Line at the following address: <http://www.lagovistaisd.net>.

Appeals shall begin at Level One with the campus principal.

The District shall not delay disciplinary consequences pending the outcome of an appeal. The decision to place a student in a DAEP cannot be appealed beyond the board.

Restrictions During Placement

State law prohibits a student placed in a DAEP for reasons specified in state law from attending or participating in school-sponsored or school-related extracurricular activities.

The District does not permit a student who is placed in a DAEP to participate in any school-sponsored or school-related extracurricular or co-curricular activity, including seeking or holding honorary positions and/or membership in school-sponsored clubs and organizations.

A student placed in a DAEP shall not be provided transportation unless he or she is a student with a disability who is entitled to transportation in accordance with the student's individualized education program (IEP) or Section 504 plan.

For seniors who are eligible to graduate and are assigned to a DAEP at the time of graduation, the placement in the program shall continue through graduation, and the student shall not be allowed to participate in the graduation ceremony and related graduation activities.

Placement Review

A student placed in a DAEP shall be provided a review of his or her status, including academic status, by the campus behavior coordinator or the board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall be given the opportunity to present arguments for the student's return to the regular classroom or campus. The student may not be returned to the classroom of a teacher who removed the student without that teacher's consent.

Additional Misconduct

If during the term of placement in a DAEP the student engages in additional misconduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator may enter an additional disciplinary order as a result of those proceedings.

Notice of Criminal Proceedings

When a student is placed in a DAEP for certain offenses, the office of the prosecuting attorney shall notify the District if:

1. Prosecution of a student's case was refused for lack of prosecutorial merit or insufficient evidence and no formal proceedings, deferred adjudication (see **Glossary**), or deferred prosecution will be initiated; or
2. The court or jury found a student not guilty, or made a finding that the student did not engage in delinquent conduct or conduct indicating a need for supervision, and the case was dismissed with prejudice.

If a student was placed in a DAEP for such conduct, on receiving the notice from the prosecutor, the superintendent or designee shall review the student's placement and schedule a review with the student's parent not later than the third day after the superintendent or designee receives notice from the prosecutor. The student may not be returned to the regular classroom pending the review.

After reviewing the notice and receiving information from the student's parent, the superintendent or designee may continue the student's placement if there is reason to believe that the presence of the student in the regular classroom threatens the safety of other students or teachers.

The student or the student's parent may appeal the superintendent's decision to the board. The student may not be returned to the regular classroom pending the appeal. In the case of an appeal, the board shall, at the next scheduled meeting, review the notice from the prosecutor and receive information from the student, the student's parent, and the superintendent or designee, and confirm or reverse the decision of the superintendent or designee. The board shall make a record of the proceedings.

If the board confirms the decision of the superintendent or designee, the student and the student's parent may appeal to the Commissioner of Education. The student may not be returned to the regular classroom pending the appeal.

Withdrawal During Process

When a student violates the District's Code in a way that requires or permits the student to be placed in a DAEP and the student withdraws from the District before a placement order is completed, the campus behavior coordinator may complete the proceedings and issue a placement order. If the student then re-enrolls in the District during the same or a subsequent school year, the District may enforce the order at that time, less any period of the placement that has been served by the student during enrollment in another district. If the campus behavior coordinator or the board fails to issue a placement order after the student withdraws, the next district in which the student enrolls may complete the proceedings and issue a placement order.

Newly Enrolled Students

The District shall continue the DAEP placement of a student who enrolls in the District and was assigned to a DAEP in an open-enrollment charter school or another district.

When a student enrolls in the District with a DAEP placement from a district in another state, the District has the right to place the student in DAEP to the same extent as any other newly enrolled student if the behavior committed is a reason for DAEP placement in the receiving district.

State law requires the District to reduce a placement imposed by a district in another state that exceeds one year so that the total placement does not exceed one year. After a review, however, the placement may be extended beyond a year if the District determines that the student is a threat to the safety of other students or employees or the extended placement is in the best interest of the student.

Emergency Placement Procedure

When an emergency placement is necessary because the student's behavior is so unruly, disruptive, or abusive that it seriously interferes with classroom or school operations, the student shall be given oral notice of the reason for the action. Not later than the tenth day after the date of the placement, the student shall be given the appropriate conference required for assignment to a DAEP.

Transition Services

In accordance with law and District procedures, campus staff shall provide transition services to a student returning to the regular classroom from an alternative education program, including a DAEP. See policy FOCA(LEGAL) for more information.

Placement and/or Expulsion for Certain Offenses

This section includes two categories of offenses for which the Education Code provides unique procedures and specific consequences.

Registered Sex Offenders

Upon receiving notification in accordance with state law that a student is currently required to register as a sex offender, the District must remove the student from the regular classroom and determine appropriate placement unless the court orders JJAEP placement.

If the student is under any form of court supervision, including probation, community supervision, or parole, the placement shall be in either DAEP or JJAEP for at least one semester.

If the student is not under any form of court supervision, the placement may be in DAEP or JJAEP for one semester or the placement may be in a regular classroom. The placement may not be in the regular classroom if the board or its designee determines that the student's presence:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or

Is not in the best interests of the District's students.

Review Committee

At the end of the first semester of a student's placement in an alternative educational setting and before the beginning of each school year for which the student remains in an alternative placement, the District shall convene a committee, in accordance with state law, to review the student's placement. The committee shall recommend whether the student should return to the regular classroom or remain in the placement. Absent a special finding, the board or its designee must follow the committee's recommendation.

The placement review of a student with a disability who receives special education services must be made by the ARD committee.

Newly Enrolled Student

If a student enrolls in the District during a mandatory placement as a registered sex offender, the District may count any time already spent by the student in a placement or may require an additional semester in an alternative placement without conducting a review of the placement.

Appeal

A student or the student's parent may appeal the placement by requesting a conference between the board or its designee, the student, and the student's parent. The conference is limited to the factual question of whether the student is required to register as a sex offender. Any decision of the board or its designee under this section is final and may not be appealed.

Expulsion

In deciding whether to order expulsion, regardless of whether the action is mandatory or discretionary, the campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**);
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless under the McKinney-Vento Homeless Assistance Act.

Discretionary Expulsion: Misconduct That May Result in Expulsion

Some of the following types of misconduct may result in mandatory placement in a DAEP, whether or not a student is expelled. [See **Disciplinary Alternative Education Program (DAEP) Placement**.]

Any Location

A student **may** be expelled for:

- Engaging in bullying that encourages a student to die by suicide.
- Inciting violence against a student through group bullying.
- Releasing or threatening to release intimate visual material of a minor or a student who is 18 years of age or older without the student's consent.
- Criminal mischief, if punishable as a felony.
- Breach of computer security. [See **Glossary**.]
- Engaging in conduct relating to a false alarm or report (including a bomb threat) or a terroristic threat involving a public school.

At School, Within 300 Feet, or at a School Event

A student **may** be expelled for committing any of the following offenses on or within 300 feet of school property, as measured from any point on the school's real property boundary line, or while attending a school-sponsored or school-related activity on or off school property:

- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of marijuana, a controlled substance, or a dangerous drug, unless the conduct is punishable as a felony. A student with a valid prescription for low-THC cannabis as authorized by Chapter 487 of the Health and Safety Code does not violate this provision. [See **glossary** for "under the influence".]
- Selling, giving, or delivering to another person, or possessing, using, or being under the influence of alcohol; or committing a serious act or offense while under the influence of alcohol, if the conduct is not punishable as a felony.
- Engaging in conduct that contains the elements of an offense relating to abusable volatile chemicals.
- Engaging in deadly conduct. (See **glossary**.)

Within 300 Feet of School

A student **may** be expelled for possession of a firearm, as defined by federal law, while within 300 feet of school property, as measured from any point on the school's real property boundary line.

Property of Another District

A student **may** be expelled for committing any offense that is a state-mandated expellable offense if the offense is committed on the property of another district in Texas or while the student is attending a school-sponsored or school-related activity of a school in another district in Texas.

While in DAEP

A student **may** be expelled for engaging in documented serious misbehavior that violates the District's Code of Conduct, despite documented behavioral interventions while placed in a DAEP. For purposes of discretionary expulsion from a DAEP, serious misbehavior means:

1. Deliberate violent behavior that poses a direct threat to the health or safety of others;
2. Extortion, meaning the gaining of money or other property by force or threat;
3. Conduct that constitutes coercion, as defined by Section 1.07, Penal Code; or
4. Conduct that constitutes the offense of:
 - a. Public lewdness under Penal Code 21.07;
 - b. Indecent exposure under Penal Code 21.08;
 - c. Criminal mischief under Penal Code 28.03;
 - d. Hazing under Education Code 37.152; or
 - e. Harassment under Penal Code 42.07(a)(1), of a student or District employee.

Mandatory Expulsion: Misconduct That Requires Expulsion

A student **must** be expelled under federal or state law for any of the following offenses that occur on or off school property:

Under Federal Law

- Bringing to school or possessing at school, including any setting that is under the District's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. [See **Glossary**.]

Note: Mandatory expulsion under the federal Gun Free Schools Act does not apply to a firearm that is lawfully stored inside a locked vehicle, or to firearms used in activities approved and authorized by the District when the District has adopted appropriate safeguards to ensure student safety.

Under the Penal Code

- Unlawfully carrying on or about the "student's" person the following, in the manner prohibited by Penal Code 46.02:
 - A handgun, defined by state law as any firearm designed, made, or adapted to be used with one hand. [See **Glossary**.] *Note:* A student may not be expelled solely on the basis of the student's use, exhibition, or possession of a firearm that occurs at an approved target range facility that is not located on a school campus, while participating in or preparing for a school-sponsored, shooting sports competition or a shooting sports educational activity that is sponsored or supported by the Parks and Wildlife Department, or a shooting sports sanctioning organization working with the department. [See policy FNCG(LEGAL).]
 - A location-restricted knife, as defined by state law. [See **Glossary**.]
- Possessing, manufacturing, transporting, repairing, or selling a prohibited weapon, as defined in state law. [See **Glossary**.]
- Engages in conduct that contains the elements of the offense of exhibiting, using, or threatening to exhibit or use a firearm under Education Code 37.125.
- Behaving in a manner that contains elements of the following offenses under the Penal Code:
 - Aggravated assault, sexual assault, or aggravated sexual assault.

- o Behavior punishable as a felony that involves selling, giving, or delivering to another person, or possessing, using, or being under the influence of a controlled substance, or a dangerous drug.
- o Engaging in conduct that contains elements of assault against a school employee or volunteer.

Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Virtual Expulsion Program

In some circumstances, a student may be placed in a virtual expulsion program.

- The school must ensure students in the program have the necessary technology and internet and must provide it if needed.
- The virtual program must, as much as possible, meet the same requirements as an in-person disciplinary alternative education program (DAEP).
- The student's placement must be reviewed every 45 school days.
- If an in-person spot becomes available, the school should plan the student's return to in-person learning.
- If continued virtual placement is appropriate, the school must document the decision.

Consideration of Virtual Education as Alternative to Expulsion

Before a school district may expel a student, the district must consider the appropriateness and feasibility of, as an alternative to expulsion, enrolling the student in a full-time hybrid program, full-time virtual program, full-time hybrid campus, or full-time virtual campus. This requirement does not apply to a student expelled under Education Code 37.0081 or 37.007(a), (d), or(e).

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent shall be invited in writing to attend the hearing.

Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate classroom.
- In-school suspension.
- Out-of-school suspension.
- DAEP.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of the District;

2. An opportunity to testify and to present evidence and witnesses in the student's defense; and
3. An opportunity to question the witnesses called by the District at the hearing.

After providing notice to the student and parent of the hearing, the District may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees delegates to the superintendent or designee the authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the superintendent within seven days after receipt of the written decision. The superintendent must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall consider and base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (see **glossary**);
2. Intent or lack of intent at the time the student engaged in the conduct;
3. The student's disciplinary history;
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct;
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care); or
6. A student's status as homeless under the McKinney-Vento Homeless Assistance Act.

If the student is expelled, the board or its designee shall deliver to the student and the student's parent a copy of the order expelling the student.

Not later than the second business day after the hearing, the District shall deliver to the juvenile court a copy of the expulsion order and the information required by Section 52.04 of the Family Code.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year except as provided below.

An expulsion may not exceed one year unless, after review, the District determines that:

1. The student is a threat to the safety of other students or to district employees; or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the superintendent may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal During Process

When a student has violated the District's Code in a way that requires or permits expulsion from the District and the student withdraws from the District before the expulsion hearing takes place, the District may conduct the hearing after sending written notice to the parent and student.

If the student then re-enrolls in the District during the same or subsequent school year, the District may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another district.

If the campus behavior coordinator or the board fails to issue an expulsion order after the student withdraws, the next district in which the student enrolls may complete the proceedings.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which placement in a DAEP or expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions during Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No district academic credit shall be earned for work missed during the period of expulsion unless the student is enrolled in a JJAEP or another District-approved program.

Newly Enrolled Students

The District shall continue the expulsion of any newly enrolled student expelled from another district or an open-enrollment charter school until the period of the expulsion is completed.

If a student expelled in another state enrolls in the District, the District may continue the expulsion under the terms of the expulsion order, may place the student in a DAEP for the period specified in the order, or may allow the student to attend regular classes if:

1. The out-of-state district provides the District with a copy of the expulsion order, and

2. The offense resulting in the expulsion is also an expellable offense in the District in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the District continues the expulsion or places the student in a DAEP, the District shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Emergency expulsion may be ordered based on a single incident of behavior by the student. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

DAEP Placement of Expelled Students

The District may provide educational services to any expelled student in a DAEP; however, educational services in the DAEP must be provided if the student is less than ten years of age.

Transition Services

In accordance with law and District procedures, campus staff shall provide transition services for a student returning to the regular classroom from placement in an alternative education program, including a DAEP or JJAEP. See policies FOCA(LEGAL) and FODA(LEGAL) for more information.

Certain Felonies

Regardless of whether placement or expulsion is required or permitted by one of the reasons in the DAEP Placement or Expulsion sections, in accordance with Education Code 37.0081, a student **may** be expelled and placed in either DAEP or JJAEP if the board or campus behavior coordinator makes certain findings and the following circumstances exist in relation to aggravated robbery or a felony offense under Title 5 (see **glossary**) of the Penal Code. The student must have:

- Received deferred prosecution for conduct defined as aggravated robbery or a Title 5 felony offense;
- Been found by a court or jury to have engaged in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense;
- Been charged with engaging in conduct defined as aggravated robbery or a Title 5 felony offense;
- Been referred to a juvenile court for allegedly engaging in delinquent conduct for conduct defined as aggravated robbery or a Title 5 felony offense; or
- Received probation or deferred adjudication or have been arrested for, charged with, or convicted of aggravated robbery or a Title 5 felony offense.

The District may expel the student and order placement under these circumstances regardless of:

1. The date on which the student's conduct occurred;
2. The location at which the conduct occurred;
3. Whether the conduct occurred while the student was enrolled in the District; or
4. Whether the student has successfully completed any court disposition requirements imposed in connection with the conduct.

Hearing and Required Findings

The student must first have a hearing before the board or its designee, who must determine that in addition to the circumstances above that allow for the expulsion, the student's presence in the regular classroom:

1. Threatens the safety of other students or teachers,
2. Will be detrimental to the educational process, or
3. Is not in the best interest of the District's students.

Any decision of the board or the board's designee under this section is final and may not be appealed.

Length of Placement

The student is subject to the placement until:

1. The student graduates from high school,
2. The charges are dismissed or reduced to a misdemeanor offense, or
3. The student completes the term of the placement or is assigned to another program.

Placement Review

A student placed in a DAEP or JJAEP under these circumstances is entitled to a review of his or her status, including academic status, by the campus behavior coordinator or board's designee at intervals not to exceed 120 days. In the case of a high school student, the student's progress toward graduation and the student's graduation plan shall also be reviewed. At the review, the student or the student's parent shall have the opportunity to present arguments for the student's return to the regular classroom or campus.

Newly Enrolled Students

A student who enrolls in the District before completing a placement under this section from another school district must complete the term of the placement.
