WHAT IS CHILD FIND?

Child Find is the process by which districts and public charter schools identify and locate children needing evaluation.

All children birth-21 with disabilities or suspected of having a disability, regardless of the severity of their disabilities, and who are in need of special education and related services, must be identified, located, and evaluated.

WHO CAN BE PART OF CHILD FIND?

- ◆ Anyone concerned about a child can contact the Child Find representative for additional information and next steps.
- ◆ Districts are responsible for finding all students, including those parentally placed in private schools, children who are homeschooled and children who are homeless.
- ◆ Public charter schools are responsible for finding all students, including those who become homeless during enrollment.
