Mission Statement

The mission of Lago Vista High School is to use the four years allotted to teach, motivate, and challenge each student to rise to the highest level of academic excellence possible in a premiere learning environment. All graduates will leave our school with the ability to live and work as compassionate citizens and mature, effective adults. We are committed to sending into the world individuals who use problem-solving skills to impact their community in a responsible manner.

Vision

Lago Vista High School is committed to preparing our students to live and work in a changing global society. We will realize this commitment by providing exemplary instruction to all students so that they may acquire the essential academic skills, life skills, and knowledge base upon which to build lifelong learning. We are committed to being a community partner with the citizens of Lago Vista ISD by providing the chance to participate in the education of our students.

District Commitments

- We will maximize student achievement by providing quality instruction and educational programs that meet the needs of all students, by developing an extensive curriculum that emphasizes collaboration, critical thinking, and creativity, by using high quality instructional strategies.
- We will provide a safe, nurturing educational environment that reflects a commitment to leadership, digital citizenship, service, integrity, character, and high expectations for all students.
- We will prepare graduates for success in post-secondary pathways by developing programs and activities that promote college readiness and that support pursuits in career and technology fields.
- We will attract, develop, and maintain high quality professionals by offering competitive pay and benefits, and by working collaboratively to determine, meet, and facilitate their specific professional needs.
- We will welcome, inform, and nurture partnerships with our families and community partners to ensure active involvement in promoting high expectations, strong values, and the academic achievement and success of all students.
- We will develop an efficient, transparent, and collaborative approach to planning & decision-making that communicates the priorities, processes, initiatives, and challenges of the District to all stakeholders.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Lago Vista High School's demographic information is as follows:

Total students - 630

African American - .65%

Hispanic - 22.5%

White - 69.8%

American Indian - .72%

Asian - .72%

Pacific Islander - .04%

Two or more races - 5.56%

Economically Disadvantaged - 17%

Non-Economically Disadvantaged - 83%

English Learners - 3.73%

At Risk - 43.75%

Mobility - 10.7%

Special Education - 11.3%

Attendance Rate - 92%

Annual Dropout Rate - .7%

Demographics Strengths

Lago Vista High School has seen steady growth over the years, with each year bringing the highest enrollment in school history. This year is no exception with 630 students currently

enrolled. Increased enrollment means more funding generated by higher numbers in CTE. Because of the price point of houses in Lago Vista, most new students are not economically disadvantaged.

Problem Statements Identifying Demographics Needs

Problem Statement 1: LVHS students need more diverse educational experience through the thoughtful hiring of faculty that mirrors the demographics of our students, purposeful learning opportunities, and intentionally diverse experiences. **Root Cause:** The faculty of LVHS does not currently mirror the demographics of our student body and the need for diverse experiences is increasing.

Student Achievement

Student Achievement Summary

2021 STAAR Percentage Passing

ELA I - 74% (81% 2021)

ELA II - 83% (86% 2021)

Algebra I - 65% (78% 2021)

Biology - 90% (85% 2021)

US History - 97% (96% 2021)

2022 data -

Advanced Course/Dual Credit Completion - 42%

Average SAT - 1099

Average ACT - 23

Graduates Enrolled in IHE's - 80.2%

2020 data -

Advanced Course/Dual Credit Completion - 35.6%

Average SAT - 1116

Average ACT - 23.2

Graduates Enrolled in IHE's - 56.6%

Student Achievement Strengths

Historically, LVHS is above the state average on most tests.

Problem Statements Identifying Student Achievement Needs

Problem Statement 1 (Prioritized): Special Education Passing rates on STAAR assessments are significantly below their regular education peers. **Root Cause:** Lack of successful intervention programs at the high school level and lack of resources in the general education classroom.

School Culture and Climate

School Culture and Climate Summary

Surveys (students)

Survey data consistently shows that students connect with their teachers, respect their content knowledge, and see LVHS as a safe place to learn. Parent survey data reflects similar feelings towards the school, though parents express a lack of opportunity to be meaningfully involved in their student's education.

School Culture and Climate Strengths

LVHS students have many opportunities to get involved in extra-curricular clubs and activities. LVHS offers over 40 UIL events and clubs for students to choose. Teachers are trained in Kagan and SEL strategies and create a positive environment for students.

Problem Statements Identifying School Culture and Climate Needs

Problem Statement 1: Tobacco/drug related offenses are a major problem at LVHS. **Root Cause:** Ability to easily hide and quickly use vape products make it difficult to police their use in areas like bathrooms.

Staff Quality, Recruitment, and Retention

Staff Quality, Recruitment, and Retention Summary

Teachers are provided regular walkthroughs by campus administrators, with opportunities for goal setting and self-reflection throughout the school year.

New job postings are posted online and on Applitrack. Department heads and team members are invited to participate in the interview process and make recommendations for new hires. New staff is assigned a mentor as part of a prescribed mentor system.

Staff is part of the improvement process by being part of the CIP teams, PBIS teams, and nine weeks reflections and conferences.

Teachers are provided staff development during August inservice, with monthly meetings during their conference periods to work on the implementation of the new technology.

Priorities determined by the needs assessment regarding staff quality, recruitment, and retention include improving communication within the staff, providing support for the needs of professionals within the organization, and making all human resources decisions with the best interests of the students in mind.

Staff Quality, Recruitment, and Retention Strengths

LVHS draws teachers to the area because of the small community with attractive qualities. Teachers have many opportunities for staff input and professional growth. The community offers excellent students and parents and steady population growth.

Problem Statements Identifying Staff Quality, Recruitment, and Retention Needs

Problem Statement 1 (Prioritized): Like schools across the nation, LVHS lost many teachers (9) to other campuses and career changes at the end of the school year. **Root Cause:** Teachers are underpaid and teaching in a small district requires teachers to take on many preps and responsibilities without extra pay or support.

Curriculum, Instruction, and Assessment

Curriculum, Instruction, and Assessment Summary

Teachers are required to create a scope and sequence and unit plans for each course they teach. There are varying levels of success and thoroughness with this expectation.

Teachers overall have a strong understanding of their content area and Pre-AP teachers, AP teachers, and OnRamps teachers receive training to support their ability to teach these classes.

Walkthrough data shows that teachers are using Fundamental 5 best practices in their classroom to engage students. The beginning stages of Kagan strategies has been implemented at the campus to increase engagement and ensure that every student is expected to learn each day.

Curriculum, Instruction, and Assessment Strengths

Teachers implement technology into their teaching on a daily basis, through a minimum use of Canvas.

Teachers will continually receive professional development over The Fundamental Five.

LVHS offers a variety of advanced courses through AP and OnRamps.

Problem Statements Identifying Curriculum, Instruction, and Assessment Needs

Problem Statement 1 (Prioritized): Level of rigor and higher level thinking questions is lower than desired in several classrooms. **Root Cause:** Planning documents are not up to date and lack of pre-planned higher-level thinking questions provided to students and opportunities for them to engage in small-group, purposeful talk.

Problem Statement 2 (Prioritized): Student engagement is lower than desired during walkthroughs. **Root Cause:** Lack of pre-planned higher-level thinking questions provided to students and opportunities for them to engage in small-group, purposeful talk.

Parent and Community Engagement

Parent and Community Engagement Summary

Parents are involved in several activities that support students , such as athletic events attendance, band booster and athletic booster participation, food donation for teacher treats, attendance at school meetings.

Families and the community are primarily involved in school district decisions through membership on the Campus Education Improvement Committee.

Parents are provided support through parenting workshops, mentoring programs, counseling resources, and parent trainings.

Forms for parents who speak only Spanish are available, though this is an area of needed improvement. Students in special programs are provided with transitional support by DARS and we have an excellent Special Olympics program.

Parent and Community Engagement Strengths

Booster clubs in athletics and band and parent participation in student-centered meetings is an area of strength.

Problem Statements Identifying Parent and Community Engagement Needs

Problem Statement 1: Parent participation is low for curriculum nights, open houses, college/career information nights, etc. **Root Cause:** Many parents of LVHS students work in Austin and it is difficult for them to get back in time to attend/prioritize such events.

School Context and Organization

School Context and Organization Summary

Priorities identified through the comprehensive needs assessment include planning for scalable growth, ensuring smart and efficient facilities and design, and increasing stakeholder input in the planning and improvement processes.

Opportunities include district growth, high levels of community support, and high student achievement.

School Context and Organization Strengths

Opportunities for staff to be involved in decision making through membership in Professional Learning Communities, Campus Improvement Teams, and department leadership.

Technology

Technology Summary

Priorities identified through the comprehensive needs assessment include engaging students and teachers with the newest technology, preparing students to be digital citizens, and supporting teachers' growth and use of technology.

Opportunities include the declining cost of technology and funding grants for technology. Concerns include sustainability concerns, the difficulty of monitoring technology use (particularly as it relates to the Internet), and keeping up with rapidly changing technology.

Technology Strengths

Technology is integrated into classrooms on a 1:1 basis.

Problem Statements Identifying Technology Needs

Problem Statement 1: Students use technology for non-academic purposes. **Root Cause:** Inability to police students' ability to access non-academic material on the internet.

Problem Statement 2: New teachers are often overwhelmed due to the many applications that teachers are required to use for their work (Canvas, Ascender, Eduphoria, e-sped, online texts, Aesop). **Root Cause:** Lack of time to properly train and familiarize yourself with apps before the school year begins.

Priority Problem Statements

Problem Statement 3: Special Education Passing rates on STAAR assessments are significantly below their regular education peers.

Root Cause 3: Lack of successful intervention programs at the high school level and lack of resources in the general education classroom.

Problem Statement 3 Areas: Student Achievement

Problem Statement 4: Like schools across the nation, LVHS lost many teachers (9) to other campuses and career changes at the end of the school year.

Root Cause 4: Teachers are underpaid and teaching in a small district requires teachers to take on many preps and responsibilities without extra pay or support.

Problem Statement 4 Areas: Staff Quality, Recruitment, and Retention

Problem Statement 1: Level of rigor and higher level thinking questions is lower than desired in several classrooms.

Root Cause 1: Planning documents are not up to date and lack of pre-planned higher-level thinking questions provided to students and opportunities for them to engage in small-group, purposeful talk.

Problem Statement 1 Areas: Curriculum, Instruction, and Assessment

Problem Statement 2: Student engagement is lower than desired during walkthroughs.

Root Cause 2: Lack of pre-planned higher-level thinking questions provided to students and opportunities for them to engage in small-group, purposeful talk.

Problem Statement 2 Areas: Curriculum, Instruction, and Assessment

Goals

Revised/Approved: March 23, 2022

Goal 1: Curriculum, Instruction, & Student Achievement: Maximize student achievement by providing quality instruction and educational programs that meet the needs of all students, by developing an extensive curriculum that emphasizes collaboration, critical thinking, and creativity, by using high quality instructional strategies.

Performance Objective 1: All curriculum documents will be created in alignment with state standards, while demonstrating effective assessment design and cultural relevancy.

Evaluation Data Sources: 100% of standards-based unit organizers and snapshots will be completed and updated by the end of the school year.

Strategy 1 Details	Formative Reviews		
<p>Strategy 1: Teachers will create, utilize, and update snapshots and unit organizers for each subject they teach.</p> <p>Strategy's Expected Result/Impact: Snapshots will be created in advance of the school year. Unit plans for each subject will be updated and submitted quarterly.</p> <p>Staff Responsible for Monitoring: Teachers, Department Chairs, Principal</p> <p>Problem Statements: Curriculum, Instruction, and Assessment 1</p>	Formative
