RE: Memorandum of Understanding (MOU) 2013-2014
Juvenile Justice Alternative Education Program (JJAEP)

Dear Mr. Underwood:

We are forwarding a copy of the Travis County Juvenile Justice Alternative Education Program (JJAEP) Memorandum of Understanding (MOU) for September 1, 2013, through August 31, 2014. This MOU was approved by the Travis County Juvenile Board on August 28, 2013. There have been no changes to the MOU other than dates and district contact information. We are requesting approval by the Lago Vista Independent School District Board and signature of the MOU.

The MOU, as authorized by the Texas Education Code, provides for JJAEP services to youth who are referred by school districts for mandatory as well as discretionary expulsions. Pursuant to Section Nine of the MOU, this letter serves as notification of the daily rate for Discretionary Category II Students. At the August 28, 2013 Travis County Juvenile Board meeting, the Board set the daily rate per day of enrollment for the 2013-14 School Year for students who are expelled for committing Title 5, Penal Code, felony offenses (Offenses Against the Person), under Education Code Section 37.0081, at \$271.19 per day.

Please return the approved MOU to Chris Hubner, General Counsel, at 2515 South Congress Ave., Austin, Texas 78704. We will forward a completed MOU once we have received all of the required signatures and approvals. If you have any questions, please do not hesitate to contact me or Chris Hubner at 512-854-7109.

This Memorandum of Understanding ("Agreement") is an Interlocal Agreement entered into pursuant to Texas Education Code, Chapter 37 and the Texas Interlocal Cooperation Act, Texas Government Code, Chapter 791, and is entered into to be effective the 1st day of September, 2013, between **Travis County**, the **Travis County Juvenile Board** ("TCJB"), and the following educational entities: **Austin** Independent School District, **Del Valle** Independent School District, **Lago Vista** Independent School District, **Leander** Independent School District, **Manor** Independent School District, **Pflugerville** Independent School District, and **Round Rock** Independent School District (hereinafter referred to collectively as the "ISDs"). The parties to this Agreement shall be collectively referred to herein as "Participants."

#### RECITALS:

#### WHEREAS:

- (1) Texas Education Code Sec. 37.011(m) requires the TCJB to enter into a Memorandum of Understanding with the ISDs establishing a Juvenile Justice Alternative Education Program ("JJAEP"); and
- (2) The Participants desire to participate in the Juvenile Justice Alternative Education Program Cooperative of Travis County ("JJAEP Co-Op") and to comply with the agreements contained herein; and
- (3) The ISDs wish to reach an agreement with the TCJB as to the placement of students expelled from school under the discretionary expulsion and removal provisions of Texas Education Code, Chapter 37; and
- (4) The Participants desire to create and operate the JJAEP Co-Op pursuant to Chapter 37 of the Texas Education Code and this Agreement; and
- (5) The Participants further desire to define and create the duties and responsibilities of the Participants, and to set forth herein the methods by which the Participants shall fund, govern and establish the JJAEP Co-Op; and

- (6) The Participant ISDs recognize that the Texas Legislature has appropriated certain funds to pay the County and TCJB for the cost of educating students in the JJAEP Co-Op who are expelled under the mandatory expulsion provisions of Texas Education Code Chapter 37. However, such funds are insufficient to meet the cost of educating students in the JJAEP Co-Op; and
- (7) The ISDs are required to consider course credit earned by a student while in the JJAEP Co-Op as credit earned in a school district program pursuant to Texas Education Code Sec. 37.010(d), and the ISDs have an ongoing interest in the quality of education provided in the JJAEP Co-Op and the academic success of students who will be returned from the JJAEP Co-Op to the regular school setting. Therefore, the ISDs desire to assist in providing the JJAEP Co-Op with full, adequate funding; and
  - (8) The relationship between the Participants necessitates this Interlocal Agreement;

NOW THEREFORE, BY THIS AGREEMENT IT IS MUTUALLY UNDERSTOOD AND AGREED BY THE PARTICIPANTS AS FOLLOWS:

- 3.12 <u>JJAEP Co-Op Executive Committee Compensation</u> No member of the JJAEP Co-Op Executive Committee shall receive compensation for his or her services as a member of the Committee. Nothing herein contained shall be construed to preclude any Committee member from receiving compensation or reimbursement for expenses from the member's respective employer for serving on the Committee.

# SECTION FOUR: STUDENT PLACEMENT IN JJAEP

- 4.1 The Participants hereto acknowledge that Texas Education Code Sec. 37.010 (a) requires that every expelled student in a county with a population of 125,000 or greater who is not detained or receiving treatment under an order of the juvenile court must be enrolled in an educational program. It is therefore the intent of the JJAEP Co-Op to provide educational services to all expelled students, as provided more fully herein. However, no students will be assigned to the Travis County JJAEP except as set forth by provisions of this Agreement.
- 4.2 Students who are expelled from the school district setting will be afforded due process within the respective ISD as provided by school district policy and federal and state law.
- 4.3 Each ISD shall use its best efforts to notify the juvenile court in writing as soon as practicable upon the ISD's identification of a student who the ISD reasonably believes has engaged in conduct for which the student will be subject to mandatory expulsion. Such notice may be given in addition to any notice required under Texas Family Code Sec. 52.041. If the

juvenile court receives written notice under this section that a student is believed to have engaged in conduct for which the ISD reasonably believes the student will be subject to mandatory expulsion, and the student is under the jurisdiction of the juvenile court, the juvenile court shall consider entering an order that the student attend the JJAEP Co-Op as soon as practicable, pending the outcome of any disciplinary proceedings at the ISD.

- 4.4 Every student eligible for placement in the JJAEP as set forth by the provisions of this Agreement who has been expelled from an ISD, and for whom information has been provided by the ISD from which the student has been expelled to the juvenile court in accordance with Texas Family Code Sec. 52.041, shall be ordered by the juvenile court to enroll in the JJAEP Co-Op as soon as reasonably practicable after the juvenile court's receipt of such notice. The information provided by the ISD for any student expelled for serious misbehavior under Texas Education Code Sec. 37.007(c), shall include documentation of the serious misbehavior and documentation of the behavioral interventions provided by the ISD prior to the expulsion.
- 4.5 Failure of an ISD to timely notify the juvenile court of an expulsion pursuant to Texas Family Code Sec. 52.041 shall result in the student's duty to continue attending the school district's educational program, which shall be provided to that student until such time as the notification to the juvenile court is properly made.
- 4.6 The juvenile court shall, for each student taken into custody for conduct that occurred on school property or at a school-sponsored or school-related activity, use its best efforts to ascertain whether the conduct for which the student was taken into custody would subject the student to mandatory expulsion. If the juvenile court ascertains that the conduct for which the student was taken into custody is such that it would subject the student to mandatory expulsion, the juvenile court shall consider entering an order that the student immediately begin attending the JJAEP Co-Op pending resolution of the disciplinary action, including any expulsion hearings, at the ISD.
- 4.7 It is the intent of the Participants hereto that for each expelled student who is placed in the JJAEP Co-Op, the term of such placement will be coterminous with the term of the student's expulsion from school. The ISDs agree that a placement term of no less than one six week grading period will be required, absent extenuating circumstances. Students must remain in the JJAEP Co-Op for the full period ordered by the juvenile court unless the student's school district agrees to accept the student before the date ordered by the juvenile court or the student is referred back to the ISD pursuant to Section 4.8 or Section 4.9 or Section 4.10 herein. The juvenile court shall consider the term of a student's expulsion in entering any order as to the student, including terms and conditions of release from custody, deferred prosecution, or probation. At the conclusion of the student's term of probation, or any other requirement imposed

by the juvenile court, including conditions of a deferred prosecution ordered by the court, or such conditions required by the prosecutor or probation department, and if the student meets the requirements for admission into the public schools established by law, the school district in which the student resides must readmit the student, but may assign such student to the school district alternative education program.

- 4.8 It is the intent of the Participants hereto that the JJAEP Co-Op shall give priority to mandatory expulsion students from each of the ISDs. It is understood by the Participants, however, that the JJAEP Co-Op has limited space and staffing, and that conditions outside the control of any Participant to this Agreement may cause fluctuations in the JJAEP Co-Op population. The current maximum capacity of the JJAEP is fifty students. The "maximum capacity" of the JJAEP may be redefined from time to time, however, as deemed appropriate by the JJAEP Co-Op. Given the limited space at the JJAEP, participants agree to abide by the following procedures for discretionary placement decisions:
  - A. Each participating school district will be permitted to enroll as many as four discretionary students in the JJAEP Co-Op at any time during the school year. These students must meet the definition of discretionary Category I, II or III as set forth by this Agreement.
  - B. Discretionary students will not be accepted into the JJAEP in the event that maximum capacity has been reached.
  - C. Discretionary students will not be accepted into the JJAEP if the student is seventeen (17) years of age or older, and not under the jurisdiction of the juvenile court.

In the event the JJAEP has reached maximum capacity and a mandatory expulsion student is referred for placement in the JJAEP Co-Op, the JJAEP Manager will immediately identify the school district(s) with the highest number of discretionary student placements, and determine which discretionary student from these districts should be dismissed from the JJAEP Co-Op to accommodate the additional mandatory expulsion student. The JJAEP Manager will base this decision on information regarding the circumstances for the expulsion and the student's behavior while at the JJAEP.

4.9 A student who is assigned to the JJAEP as a "discretionary category II" student for a felony offense under Texas Education Code Sec. 37.0081(a) shall be returned to the sending ISD upon the first of the following events to occur:

- a. The charges are dismissed or reduced to a misdemeanor offense;
- b. The student is acquitted;
- c. The student completes the term of placement;
- d. The student is assigned to another program; or
- e. The student graduates from high school.
- 4.10 A student who is assigned to the JJAEP for engaging in serious misbehavior, as defined by and pursuant to Texas Education Code Sec. 37.007(c) will be returned to the sending ISD upon the completion of the semester or, in circumstances when the student is expelled within 6 weeks of the end of a semester, the completion of the following semester, unless otherwise returned earlier by expiration of the term of the expulsion or by other mutual agreement.

#### SECTION FIVE: LIAISON

- 5.1 Each ISD shall notify the juvenile court in writing of its designated Liaison. Each Liaison shall have authority to offer recommendations to the juvenile court regarding placement alternatives for students under the jurisdiction of the juvenile court, and to bind the Liaison's respective ISD to any agreement to return a child to the school setting.
- 5.2 The Liaison shall assist the juvenile court in obtaining the permission from the parent(s) of each student served by the JJAEP Co-Op to release medical, educational or other appropriate records to the juvenile court and to the JJAEP Co-Op. In the absence of such parental consent, the juvenile court may consider the need for a court order releasing such records, and the Liaison may provide the juvenile court with such other educational information regarding the child as may be permitted by law.
- 5.3 The Liaison shall be responsible for coordinating the ISD's participation on the ISSP transition team, as appropriate.
- 5.4 As necessary, the Liaison will consult with representatives of the Participants regarding matters affecting the programs, services, and student population of the JJAEP Co-Op.

# SECTION SIX: JJAEP CO-OP FACILITIES AND STAFFING

6.1 The JJAEP Co-Op facilities and staffing will be provided by Travis County and the TCJB. Such facilities and staffing may be provided under a separate agreement with one or more ISDs or a third party provider. It is contemplated by the Participants that the facilities, staffing, services and other requirements of the JJAEP Co-Op will be fully operational no later than the first day of school in each year in which this Agreement continues in force and effect.

The JJAEP Co-Op shall operate on the same school calendar as the Austin Independent School District. TCJB shall comply with all state bidding and procurement laws in obtaining facilities and staffing for the JJAEP Co-Op to the extent such are applicable.

# SECTION SEVEN: TRANSPORTATION

7.1 Each ISD shall be responsible for providing for the transportation of its students to and from the JJAEP Co-Op facility. Each ISD acknowledges and agrees that the student drop off and pick-up locations will be no further than two (2) miles from the students' residence. Disciplinary incidents occurring during transport on the ISDs' vehicles will be referred to the JJAEP Program Administrator or designee for appropriate disciplinary action.

# SECTION EIGHT: RELEASE OF STUDENT AND JUVENILE RECORDS

- 8.1 The governing body of each Participant finds that in order to appropriately serve students receiving services under this Agreement, the sharing of information pertinent to the provision of education and rehabilitation services is essential and in the best interests of the students served. In the absence of parental consent, the juvenile court with jurisdiction over a student receiving educational services under this Agreement shall consider authorizing the entities providing services to such student to release appropriate juvenile, educational, diagnostic, treatment or other records as appropriate to permit the consistent provision of services to the student, as provided under Texas Family Code Sec. 58.0051.
- 8.2 All student education records discussed or reviewed by any person specific to an individual student shall be considered confidential, and shall be shared only with the juvenile court, the student, the parent(s) or guardian(s) of the student, and those employees of the juvenile court, Participant, or JJAEP Co-Op with a legitimate educational interest in the student. Student educational records shall be transferred to the appropriate ISD upon dismissal of a student from the JJAEP Co-Op.
- 8.3 Each ISD shall be responsible for providing the JJAEP the following educational records prior to the students' admission to the JJAEP:
  - a. Grades and transcript (current and past semester)
  - b. Immunization records
  - c. Special Education assessments if applicable
  - d. ARD and IEP information if applicable
  - e. Current information related to state-mandated assessments
  - f. Attendance and grades for one prior full semester

# SECTION NINE: FUNDING FOR JJAEP CO-OP

Audit figures from the most recently finalized audit will be used to set current year actual daily costs. The rate per student per day of enrollment for school year 2013-2014 will be set by the TCJB at their duly noticed meeting in September, 2013 and notification will be provided to all ISDs under this Agreement.
- 9.2 <u>Rollover Funds</u>- If any portion of the funds paid by the ISDs hereunder remain unused at the end of any school year, such funds shall become rollover funds for the following year, and shall be applied to the cost of funding JJAEP Co-Op operational expenses for the subsequent school year(s).
- 9.3 <u>Maintenance of Depository Account</u> Travis County shall place all funds received hereunder in a fully insured depository account, or other secured account, as required by law. Funds received hereunder shall be separately accounted for and may not be budgeted or allocated for any purpose other than the operation of the JJAEP Co-Op. All principal and any interest accruing to the TCJB account from such deposited funds shall be credited to the JJAEP Co-Op and shall be used for the necessary and reasonable expenses of the JJAEP Co-Op and shall not be commingled with the regular operating funds of either the TCJB or Travis County. All rollover funds shall be separately accounted for and used to fund program costs for the subsequent school year.
- 9.4 <u>Accounting</u> Travis County shall provide an accounting to the Participants, on an as-requested basis, of the amounts paid to the TCJB in connection with the JJAEP Co-Op, together with supporting documentation.
- 9.5 <u>Billing</u> Travis County agrees to establish and coordinate billing arrangements with the ISDs with respect to the ISDs' funding obligations, if any, to the JJAEP Co-Op under this Agreement.

9.7 <u>Budget</u> - The Executive Committee shall provide recommendations to the TCJB on budgetary matters relating to the establishment and operation of the JJAEP Co-Op.

# SECTION TEN: SPECIAL SERVICES

A representative of the JJAEP Co-Op may participate in the ARD committee meeting to the extent that the meeting relates to the student's placement or continued placement in the JJAEP Co-Op.

# SECTION ELEVEN: EXPEDITED MAGISTRATE SYSTEM

11.1 The expeditious hearing of all cases related to the JJAEP Co-Op by the juvenile court is crucial to the spirit and the letter of the Texas Legislature's changes to both the Education and the Juvenile Justice Codes. Accordingly, the following expedited judicial procedures shall be applied to those cases concerning students expelled from the school setting:

- A. The juvenile courts shall establish a procedure by which the Juvenile Probation Department Intake Division shall identify students who are eligible for placement in the JJAEP Co-Op, and notify the District Attorney when it receives a referral for an offense that may result in placement in the JJAEP Co-Op not later than the next working day after the referral is received.
- B. The ISDs shall make their best efforts to conduct their expulsion hearings no later than seven (7) school days after an offense is reported to the respective school Liaison. If the student is expelled, the ISD will send to the juvenile court, not later than the second working day after the expulsion hearing, the recommendations of the Liaison regarding placement of the student in either the JJAEP Co-Op or a school district program. The Liaison will also forward such academic and behavioral records as it may have legal authority to share with the juvenile court, or in the absence of such authority, shall forward a written report to the juvenile court relating non-confidential information that is relevant to the educational placement of the student.

- D. The juvenile court hearing on a delinquency petition filed under subsection (C) herein shall be conducted no later than fourteen (14) days after the delinquency petition is filed. It is the intent of the Participants that the term of probation for any student placed in the JJAEP Co-Op will not be shorter than the term of the student's expulsion from school.

# SECTION TWELVE: ACADEMIC REVIEW AND TRANSITION

12.1 Within a reasonable period of time after admission to the JJAEP Co-Op, each student shall have an Individual Student Services Plan ("ISSP") prepared by the ISSP transition team to meet the student's individual academic needs. The ISSP shall be reviewed periodically, at reasonable intervals, and shall address each student's emotional, social, and educational needs. In the case of a high school student, the ISSP shall contain a review of the student's progress toward meeting high school graduation requirements and shall establish a specific graduation plan for the student. The ISSP shall be designed by the ISSP transition team and any other persons deemed appropriate by the TCJB, and shall require parental participation. For students receiving services under the Individuals with Disabilities Education Act, no ISSP transition team

review shall be required under this section.

- 12.2 The TCJB shall provide to the ISDs a summative evaluation of the performance of all students served by the JJAEP Co-Op on an annual basis. Such evaluation shall reflect the academic performance of students served in the JJAEP Co-Op each year, as well as providing follow-up with former students of the JJAEP Co-Op. The ISDs shall assist the JJAEP Co-Op in developing meaningful performance measurement criteria, and in providing follow-up data for former JJAEP Co-Op students who return to the school setting. All Participants shall use their best efforts to work collaboratively to capture meaningful performance data, as well as follow-up information on students returning to the ISDs.
- 12.3 The TCJB will provide the following services to the ISDs for students who are ordered into the regular classroom or school district alternative education program setting as a condition or term of probation:
  - A. Supervision by a certified juvenile probation officer for the remaining period of probation, which will emphasize protection of the community, accountability, and competency building.
  - B. Implementation of the individual student's ISSP transition plan, including wraparound services identified in the ISSP transition plan. The transition plan will be developed and agreed to by the student's JJAEP Co-Op transition team. The court-ordered portion of the ISSP transition plan may include, but not be limited to community service, parent classes, counseling, and other appropriate services.
- 12.4 The ISSP transition team shall formulate a transition plan, specifying any services to be provided upon return to the regular educational setting, as part of the ISSP for each student. The ISSP transition plan shall be completed prior to the student's completion of the JJAEP Co-Op placement.

# SECTION THIRTEEN: TERM OF AGREEMENT

13.1 The initial term of this Agreement shall be for the period from the effective date of this Agreement through August 31, 2014. This Agreement shall be automatically renewed for an additional term of one year on the same terms and conditions, unless one or more of the Participants hereto elects to terminate this Agreement by providing written notice to all other Participants hereto at least sixty (60) days prior to the expiration of the initial term, unless terminated sooner. This Agreement may be extended for additional terms of one year upon the mutual consent of the Participants evidenced by an extension agreement entered into not later than thirty (30) days prior to the termination date of this Agreement, or any extension hereof.

- ISD may withdraw from this Agreement prior to the expiration of the term hereof by written agreement of the TCJB, or for good cause, at any time. Any ISD withdrawing from this Agreement shall be entitled to recover all funds from the Texas Juvenile Justice Department to which it is entitled. No ISD withdrawing from this Agreement shall be entitled to receive any portion of the rollover funds, unless this Agreement is terminated by all Participants hereto in its entirety, or this Agreement is terminated by operation of law. In the event this Agreement is terminated in its entirety, any rollover funds remaining shall be distributed to the ISDs, pro-rata, based upon the number of students served by the ISD residing in Travis County.
- 13.3 In the event of termination by any Participant, the Agreement will remain in force and effect with respect to the remaining Participants, unless such termination frustrates the overall purposes and intent of this Agreement.

# SECTION FOURTEEN: MISCELLANEOUS

- Records and Reporting Requirements Throughout the term of this Agreement, the Participants hereto agree to establish and maintain detailed records regarding the administration and operation of the school alternative education program and JJAEP Co-Op, including information regarding the costs of such programs, including facilities, staffing and administrative expenses.

Members Absent:

None

Also Present:

Matt Underwood, Superintendent Robert Gadbois, OBR Henri Gearing, Asst. Superintendent Dustin Riley, OBR

#### 1. Invocation

Jerrell Roque called the meeting to order at 6:06pm, leading the board and public in the Pledges to the American and Texas flags, followed by a moment of silence for our school community.

2. Welcome visitors/public participation

No visitors signed up to speak

#### 3. Construction Update - OBR

Progress on the buildings is currently moving ahead as previously reported with completion dates for the main buildings and gym areas set for January and the Performing Arts Center in April. The bus awning in the front of the school that had previously been removed has been included in the scope of the project. Baseball and softball fields are scheduled to be sodded during the next month. City has given us a waiver to water fields once they have been sodded.

Bleachers to be delivered this week; working on elevator, should be done shortly; waiting on state inspection (could take a month); added to uncommitted funds – vocational equipment, fitness equipment \$155,000 left over for technology and phones, networking; contingency balance has not changed since last time.

#### 4. Waiver of Class Size for 4th Grade

There are currently three classes in the fourth grade that have 23 students.

David Scott made motion to approve waiver for 4<sup>th</sup> grade class size

Tom Rugel seconds

Motion carries 7-0

5. Consideration and possible approval of resolution regarding use of Travis County Permanent School Fund distribution

Laura Vincent made a motion to approve the resolution to enable funds available from the Travis County Appraisal District to be used for completion of the bus awning at the new High School. Stacy Eleuterius seconded

Motion carried 7-0

#### 6. Board Policy GKD Local (Facility Use)

More discussion regarding school facility use from outside.

Local Policy GKD was approved allowing unscheduled facility use for unlocked facilities including playgrounds, tennis courts and the like. The District's track and competition fields will not be generally accessible and unlocked under this policy. Organized groups may still request access to the field and track for practices during specified times.

Laura Vincent moved to approve the policy with track and competition fields taken out Tom Rugel seconded

Motion carries 6-1 (David Scott voting No)

#### 7. Consent Agenda

- a. Approval of minutes for regular meeting on August 19th and special meeting on August 27th
- b. Monthly financial report

Laura Vincent motioned to approve above consent agenda items
David Scott seconded

Motion carries 7-0

#### 8. Superintendent Report

- a. Enrollment Report The District's enrollment growth was discussed. LVISD has experienced a growth rate of approximately 3.5% since 2009. This year's net student increase was 87 students bringing the one year percentage increase to 6.5%. At elementary we are seeing a higher "need" of student; eco numbers are on the rise. There was brief discussion of a new demographic study; decided it was not practical at this time.
- b. ACT and AP scores The District's AP and ACT scores were reviewed. The 2012-13 ACT composite scores increased two points from 21 to 23, while participation increased from 34% to 46%. AP participation and progress also showed marked improvement.

#### 9. Adjourn

There being no further business, Stacy Eleuterius moved to adjourn.

The meeting adjourned at 6:45pm

## Lago Vista Independent School District Annual Financial Audit - FY2013

#### **Matters for Further Consideration**

We believe in open communication with the school district's administrators during the audit process. Therefore, all matters that come to our attention as a result of our audit work, other than those that are deemed trivial, are accumulated during the audit and listed as *Matters for Further Consideration*. Most matters will have already been discussed during the audit process, but will still be documented here to allow for further discussion and classification.

These matters will be discussed as part of the exit conference that should occur near to or on the last day of audit fieldwork. Some additional matters may arise during the subsequent financial statement drafting stage that were not apparent as of the last day of audit fieldwork. These additional matters will be added to this sheet and management will be provided an updated version as soon as possible.

After consideration by the Auditor In-Charge, the Audit Partner, and the school district's administrative team, each matter will be assigned one of the appropriate classifications below that will determine the ultimate disposition of the matter.

- Matter Not Initially Understood Correctly by Audit Firm, No Action Needed
- Verbal Recommendation for Improvement Made to Management Only
- Written Recommendation for Improvement in the Communication with Board Letter
- Material Non-Compliance Finding in Audit Report
- Significant Deficiency Finding in Audit Report
- Material Weakness Finding In Audit Report

#### Matter 1 - Travel Expenditures

#### Travel Reimbursements/Expenditures

During our testing of District travel reimbursements/expenditures, we noted that the Superintendent's travel reimbursements did not include support for expenditures (while other District personnel complete a reimbursement form and provide supporting documentation). We recommend that all District travel reimbursements/expenditures include supporting documentation and forms (as applicable).

## Lago Vista Independent School District Annual Financial Audit - FY2013

#### **Matters for Further Consideration**

#### Matter 2 - Description of Issue

Finding-State Mandated Program Expenditures

During our review of State Mandated Expenditures for FY13, we noted that the District expended for program intent code (PIC) 22, Career and Tech, \$244,116 for the year ended 8/31/2013.

Per the FY13 TEA Near Final Summary of Finance (most recent) the PIC 22 Allotment is \$494,677 and the Allowable Expenditures % is 58%.

The District's % as calculated by SCCO is 49% Allowable expenditures, and as a result the District is deemed not to be in compliance. In order to be in compliance the District would need to allocate \$286,913 (an additional \$42,797 of Allowable expenditures) to PIC 22 for the year ended 8/31/2013.

#### Management Response

Per preliminary discussion with Assistant Superintendent, it appears additional Allowable FY13 expenditures to allocate to PIC 22 are not available. TEA will review PIC 22 FY13 noncompliance over a three year period which the Superintendent believes will result in the District being deemed in compliance for PIC 22 for period.

ATTORNEYS AT LAW

# Children's Internet Protection Act (CIPA)

- \* Federal Law targeted to ensure internet safety
  - \* Governed by FCC
  - \* Applies to schools/libraries that receive discounts for internet access or internal connections through the E-rate program.
  - \* Also applies to other schools that receive certain types of federal funding through the Dept. of Education.
- \* Requires the adoption of internet safety policy, implementation of technology protection measures (aka filtering), monitoring of student use, and student education.
- \* Already applies to district-owned computers when located on district property and accessing district internet.
  - \* Policies CQ (Legal) and (Local).

## CIPA & Portable Devices

\* Enacted in 2000 ... <u>a lot has changed since then</u>, including the creation and widespread use of the tablet and other mobile devices that have the capability to connect to the internet.

## \* Does CIPA apply to portable devices?

- \* Privately owned but connect to the district's network?
- \* District-owned but are connected to an outside network?

### \* We don't have the answer YET...

- \* The law is unclear and the FCC has publicly recognized the need for additional guidance in this area.
- \* FCC requested comments and suggestions on these issues in July of 2013 (comment period ends October 16, 2013).
- \* Right now schools are not expressly required to comply with CIPA in relation to portable devices and CIPA is apparently not being enforced in relation to those portable devices.

## Ensuring a "Safe" Return

### Texas Education Code § 31.104 (d)

- \* "Technological equipment" means hardware, a device, or equipment necessary for instructional use in the classroom, including to gain access to or enhance the use of electronic instructional materials.
  - \* What if it's not necessary for instructional use in the classroom?

### \* Failure to return:

- \* Forfeits the right to free instructional materials and technological equipment until returned in acceptable condition or paid for by student, parent or guardian.
  - \* Comm'r has defined "acceptable condition" in 19 **TAC 66.1205**:
    - \* (1) returned with software/hardware in original condition; and
    - \* (2) equipment not broken or damaged beyond cost-effective replacement or repair.
- \* Student must still be permitted to use materials or equipment at school during each school day.

## Ensuring a "Safe" Return

## What leverage does the school have to ensure return?

## \* TEC 31.104 (d) says:

- \* May withhold students records.
- \* May NOT prevent student from graduating, participating in graduation ceremony, or receiving a diploma.

### \* Consider other options:

- \* Deny privileges (*e.g.*, senior exemption from exams, classroom privileges and treats, etc.).
- \* Create a fee structure based on (1) damage to device, (2) loss or theft of device, (3) number of previous instances of damage, loss or theft.
- \* Get teachers involved in periodic checks of student devices.

## Rules for Use

- \* Student Code of Conduct (SCC) and Acceptable Use Policy should be extended to student use of the devices.
- \* Address cyberbullying, obscene or inappropriate materials, responsible internet communication, and other standards of conduct on the internet just as with school computers.
- \* Strictly prohibit "jail breaking" the devices or otherwise bypassing the device's controls and security settings.
  - \* The L.A. Unified School District recently distributed thousands of iPads to students as part of a \$1billion initiative; students hacked through security measures and blocks in one week.
- \* Provide for consequences if student violates rules, which may include consequences under the SCC as well as consequences related to the student's use of the device.

## Device Loan Agreement

### \* Get these terms in writing!

- \* Incorporate by reference the Acceptable Use Policy, Board Policy (CQ), Student Code of Conduct, and any other applicable rules or policies.
- \* Provide specific consequences/penalties for violation.
- \* Require prompt report of loss or theft to administration and potentially to law enforcement.
- \* Specify the consequences of loss or theft, and the steps to acquire a new device.
- \* Cost schedule for replacing or repairing devices.
- \* Student's use of the device will be subject to monitoring.
- \* Student does not have an expectation of privacy.
- \* This is NOT an exhaustive list!
