5. Select the District goals your session supports and describe how your professional development session addresses the District's goal(s):

- Maximize student achievement by providing quality instruction and educational programs that meet the needs of all students, by developing an extensive curriculum that emphasizes collaboration, critical thinking, and creativity, by using high quality instructional strategies.
- Provide a safe, nurturing educational environment that reflects a commitment to leadership, digital citizenship, service, integrity, character, and high expectations for all students.
- Prepare graduates for success in post-secondary pathways by developing programs and activities that promote college readiness and that support pursuits in career and technology fields.
- Attract, develop, and maintain high quality professionals by offering competitive pay and benefits, and by working collaboratively to determine, meet, and facilitate their specific professional needs.
- Welcome, inform, and nurture partnerships with our families and community partners to ensure active involvement in promoting high expectations, strong values, and the academic achievement and success of all students.
- Develop an efficient, transparent, and collaborative approach to planning & decision-making that communicates the priorities, processes, initiatives, and challenges of the District to all stakeholders.
