If the board has contracted with another investing entity to invest its funds, the investment officer of the other investing entity is considered to be the investment officer of the contracting board's district. In the administration of the duties of an investment officer, the person designated as investment officer shall exercise the judgment and care, under prevailing circumstances, that a prudent person would exercise in the management of the person's own affairs, but the board retains the ultimate responsibility as fiduciaries of the assets of the district. Unless authorized by law, a person may not deposit, withdraw, transfer, or manage in any other manner the funds of the district. Authority granted to a person to invest the district's funds is effective until rescinded by the district or until termination of the person's employment by a district, or for an investment management firm, until the expiration of the contract with the district. <i>Gov't Code 2256.005(f)</i></p> <p>A district or investment officer may use the district's employees or the services of a contractor of the district to aid the investment officer in the execution of the officer's duties under Government Code Chapter 2256. <i>Gov't Code 2256.003(c)</i></p>
Investment Training	<p>Investment training must include education in investment controls, security risks, strategy risks, market risks, diversification of investment portfolio, and compliance with the Public Funds Investment Act. <i>Gov't Code 2256.008(c)</i></p>

*Gov't Code 2256.008(g)*

Standard of Care

Investment of funds shall be governed by the following objectives, in order of priority:

3. Yield.

In determining whether an investment officer has exercised prudence with respect to an investment decision, the following shall be taken into consideration:

A required statement must be filed with the board and with the Texas

Ethics Commission. For purposes of this policy, an investment officer has a personal business relationship with a business organization if:

5. State the maturity date of each separately invested asset that has a maturity date;
6. State the account or fund or pooled group fund in the district for which each individual investment was acquired; and

7. State the compliance of the investment portfolio of the district as it relates to the investment strategy expressed in the district's investment policy and relevant provisions of the Public Funds Investment Act.

If a district invests in other than money market mutual funds, investment pools or accounts offered by its depository bank in the form of certificates of deposit, or money market accounts or similar accounts, the reports prepared by the investment officers shall be formally reviewed at least annually by an independent auditor, and the result of the review shall be reported to the board by that auditor.

**Investment Management Firm**

In the exercise of these powers, the board may contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control. A contract made under this authority may not be for a term longer than two years. A renewal or extension of the contract must be made by the board by order, ordinance, or resolution.

A district that contracts with an investment management firm may authorize the firm to invest the district's public funds or other funds

All investment transactions except investment pool funds and mutual funds shall be settled on a delivery versus payment basis.

**Approved  
Investment

From those investments authorized by law and described further in CDA(LEGAL) under Authorized Investments, the Board shall permit investment of District funds, including bond proceeds and pledged revenue to the extent allowed by law, in only the following investment types, consistent with the strategies and maturities defined in this policy:

9. Public funds investment pools as permitted by Government Code 2256.016.

**Safety**

The primary goal of the investment program is to ensure safety of principal, to maintain liquidity, and to maximize financial returns within current market conditions in accordance with this policy. Investments shall be made in a manner that ensures the preservation of capital in the overall portfolio, and offsets during a 12-month period any market price losses resulting from interest-rate fluctuations by income received from the balance of the portfolio. **Liquidity and  
Maturity**

Any internally created pool fund group of the District shall have a maximum dollar weighted maturity of 180 days. The maximum allowable stated maturity of any other individual investment owned by the District shall not exceed one year from the time of purchase. The Board may specifically authorize a longer maturity for a given investment, within legal limits.

The District's investment portfolio shall have sufficient liquidity to meet anticipated cash flow requirements.

**Diversity**

The investment portfolio shall be diversified in terms of investment instruments, maturity scheduling, and financial institutions to reduce risk of loss resulting from overconcentration of assets in a specific class of investments, specific maturity, or specific issuer.

**Monitoring Market  
Prices**

The investment officer shall monitor the investment portfolio and shall keep the Board informed of significant changes in the market value of the District's investment portfolio. Information sources may include financial/investment publications and electronic media, available software for tracking investments, depository banks, commercial or investment banks, financial advisers, and representatives/advisers of investment pools or money market funds. Monitoring shall be done at least quarterly, as required by law, and more often as economic conditions warrant by using appropriate reports, indices, or benchmarks for the type of investment.

**Monitoring Rating  
Changes**

In accordance with Government Code 2256.005(b), the investment officer shall develop a procedure to monitor changes in investment ratings and to liquidate investments that do not maintain satisfactory ratings.

**Funds/Strategies**

Investments of the following fund categories shall be consistent with this policy and in accordance with the applicable strategy defined below. All strategies described below for the investment of a particular fund should be based on an understanding of the suitability of an investment to the financial requirements of the District and consider preservation and safety of principal, liquidity, marketability of an investment if the need arises to liquidate before maturity, diversification of the investment portfolio, and yield.

Operating Funds

Investment strategies for operating funds (including any commingled pools containing operating funds) shall have as their primary

Maturities longer than one year are authorized provided legal limits are not exceeded.

**Capital Project Funds**

**Sellers of Investments**

Representatives of brokers/dealers and representatives with distributors of investment pools shall be registered with the Texas State Securities Board and must have membership in the Securities Investor Protection Corporation (SIPC) and be in good standing with the Financial Industry Regulatory Authority (FINRA). Distributors of investment pools shall also be a registrant in good standing with the Municipal Securities Rulemaking Board (MSRB).

**Soliciting Bids for CDs**

In order to get the best return on its investments, the District may solicit bids for certificates of deposit in writing, by telephone, or electronically, or by a combination of these methods.

The District shall monitor interest rate risk using weighted average maturity and specific identification.

**Internal Controls**

A system of internal controls shall be established and documented in writing and must include specific procedures designating who

has authority to withdraw funds. Also, they shall be designed to protect against losses of public funds arising from fraud, employee error, misrepresentation by third parties, unanticipated changes in financial markets, or imprudent actions by employees and officers of the District.
